

Suburbia Scribblings

By MARIE MONAHAN

Famous clowns made the rounds

Some of the BIG KIDS in Orinda have already had a sneak preview of what will conjure along the Crackerjack & Candied Apple circuit this year.

WORLD-FAMOUS for their frantics and their original clown-faces and costumes, the Felix Adlers held court at the Orinda Country Club last Saturday night when Lombardy Branch of Children's Hospital gave guests a bit of the Big Top treatment.

Brilliant Ringling Bros. Circus posters provided a colorful backdrop for the clown-costumed couple who circulated among the crowd, causing most of us to make a mental note that WE'll go right along w/ the children this year when the Greatest Show on Earth comes around. Any day now!

BRIGHT "BARKER" VESTS over frilled and pleated white shirts worn by members' helpmate husbands added to the gaiety, not to mention the music of Paul Faria's orch (he's a Gump's designer by day), the pretty lantern-lit pool setting and a big wide wonderful guest list of 400.

In the early dinner crowd (w/steak to perfection) were Ellen and Chris Harnett, who joined the Robert Boyles and Jo and Eddie Thomas, new residents of St. James Ct., who were among the many guests of Edith and Bill Scatena. Tabled together, too, were the Ward Huntingtons completing a perfect day having spent the day horsbackriding in Tilden, the Chuck Curriers (Lionie in a LONG Prof. Higgins-type knit sweater-coat), the Paul Moores, the J. P. Marvins and the Beau Gwinthers.

They get another gold star for this one!

At another long table were the Ronald Kerschens, Bill Thurlows and Tom and Fran Connelly, all guests of Caroline Read, who chaired the party looking cute, clever and CALM (in a white middy dress w/ a black bow THAT big) in spite of coping w/ current, electrical, that is, problems.

Swapping dances at their table were the Bob Petersons, Paul Stafford and Robert Neylands, guests of Gladys and Nels Hamberg.

GLIMPSED member Sue Goldsmith, soigne in silk sheath and mink stole, her husband joining Hank Wright for an after-dinner dive into the pool. As **THEIR** guests were the Ken Whites and Gil and Maxine Arrel, who were renewing old friendships, having recently returned to Orinda and a new home on Owl Hill Rd. . . . Del and Alice (King Sisters) Courtney in the crowd w/ the Ted Sydners, Eldon Quimbys, all greeting their hostess Doris Moylan.

In the pretty wooded setting of the dance floor . . . the John Boyens, who dined w/ the Channing Kilburns . . . THEY were guests of Bea Comerford, who was solo due to business out of town for her husband Arthur. On hand, too, were Bea's dgtr., and sn-in-law, Dr. and Mrs. Joseph Grillo . . . The Don Doyle and Mel Nielsens buying tickets from Meg Schuler and Joyce Carter.

Kit and Joe Newman, guests of June and George Merriam, hoping for nice weather THIS Sunday when ORINDA OAKS will hold their annual get together at the Newmans' Claremont Avenue home . . . The William Jaekels w/ Lombardy Lane newcomers, the Les Grubins . . . Doctors Frank Spencer, C. C. Chappell and Frank Schnugg and their wives together.

ANOTHER GOLD STAR PARTY w/ guests lingering on LONG after the music maestros folded up their instruments at one . . . Did anyone YOU know lose a spike heel in the turf?

BENEATH A FOUNTAIN sparkling in light sunlight floated flowers and green glass balls when the James Felchins of Las Cascadas entertained around their pool w/ a garden party last Sunday. Among the localites attending the fall aptly were the Don Tibbetts, Dwight Chapmans, Miles Sutfiltes, Robert Bolmans, Arthur Lundblads, Timothy Colvins, Robert Boyles.

PETURBIA IN SUBURBIA? Priority memberships for the Orinda Park Pool have been closed at the limited 400, all coming from the present membership list. But it might interest you that Altairda homeowners are contemplating a NEW pool in THEIR neighborhood.

Four from a wedding 25 years ago—

Silver Anniversary last wknd. for Lu and Bill Branch, who celebrated the occasion w/ dinner and theater in SF . . . Making it a foursome were the Ralph Halls, who "stood up" for the Branches at their wedding 25 years ago.

The Carleton Moores of Camino Encinas had as their late summer houseguest, Margaret's mother, Bernice Wilken from Mt. Vernon, N. Y. . . . The Karl J. Saxes of El Toyonal were visited by HIS father, Dr. Karl Sax of Boston (author of "Standing Room Only"), who was here mid-Aug. w/ Mrs. Sax to attend the Stanford Science meet.

Well-known Orinda Art Center dance teacher Linda Hickox will become Mrs. Arthur Robinson on Friday, September 27, at an evening ceremony in her parents' home on Camino Encinas.

Home from a late summer holiday in Carmel, the Gene Schumanns of Glorietta Blvd.

The shape of things to come—via 'Saks'?

"YOUR WIFE LOOKS WONDERFUL—for the shape she's in" . . . THIS overheard at Pandora's Roaring 20's Galaffair, referring obviously to the shape of the gunny-sack garb of that period and worn by members at their Sept. 7 party at the Roy Becketts' Hacienda Circle home.

"Pandora's Place," speakeasy-style, was packed and parking a problem, so guests were taxied to the spot by Ken St. Clair in a sleek pink sedan, a far cry from the Tin Lizzies of THAT day.

Raccoon coats, rolled stockings, pointed pumps and paris garters, bathtub gin and beauty marks. And Ja-da, Dardanella and sheet music of that generation to set the scene.

AMONG THE FLAPPERS, vamps and Sirens . . . Grace Sinclair a complete anachronism, her coiff featuring one huge donut-bun over each ear . . . Bee Van Gelder in one of the most exquisite dresses—a family heirloom frock (however shapeless) of delicate beige lace applique. **BEWITCHING**, but quite, was Evelyn Walsh in a long-sleeved severe black dress piped in orange. **AND SOMEONE** was telling Bee Hendrickson that in HER black fringed dress she resembled the famous Ann Pennington in her Hey-day. But Bee hadn't the faintest idea who THAT Miss Pennington was.

Vern Axelsson came closest to guessing the (water) content of the white old-fashioned bathtub centering the garden, while Lila was sure that her fringed frock was hanging together on its last thread. Dancing in the Beer Garden were the John McCorkles, Natalie and Bob Williams, the Ken Hofmans . . . Bill and Dana Cook and the Tom Connollys among those going on to the Country Club party. Marcie and Bill Hennings gathered up a crowd for dinner later at the WILLOWS . . . The Ed Roberts and Harry Jacksons being hailed by Flapper Fae Smith . . . The Joe Eldridges, Carl Dudleys, Bud Coburns.

It was apparent that whichever member printed the lapel tags w/ the old saying "23 Skidoo" (sic), OH, Kiddo! was NOT of that nonsensical time. Is it 23 Skidoo or its it "23 Skiddoo"? Nevertheless, even for those who weren't around then, it was great fun turning back time!

REMINDER . . . that the Sleepy Hollow Improvement Association will gather for a fall party tomorrow 4-7 at the William Brobeck home on Sleepy Hollow Lane.

"ROARING 20s" was the theme of the September 7 cocktail party of Pandora Branch for the benefit of the Children's Home Society. The event was held at the R. J. Beckett home on Hacienda Circle, Orinda. Among those in appropriate garb were, left to right, Mesdames Roy Beckett, Robert Hendrickson, Gerhart Cooke and Jack Van Gelder.

Orinda AAUW Stages Meeting

The first general meeting of the Orinda University Women's Club will be Wednesday at 8 p.m. at the Glorietta all-purpose room.

Members of the Dramateurs will present several scenes from one of their current season's productions. Section chairmen will tell about plans for their sections for the coming year and members will have an opportunity to sign up for the ones in which they are interested.

Modern Dance Classes Again Set for Orinda

Classes in Modern Dance for children and adults will be given again this fall in Orinda. The classes are sponsored by the Orinda Art Center and will be taught by Miss Lynda Hickox.

Miss Hickox has taught Modern Dance in Lafayette, Orinda, and Walnut Creek for the past two years. She is a graduate in Psychology from the University of California and spent this past summer working toward her Master's Degree in Dance at Mills College. Her dance training includes college work and private classes locally and in Europe.

Classes will be held Tuesdays at the Orinda Grammar School, Wednesdays and Thursdays at the Glorietta School, and Friday at the Orinda Community Church. Classes will begin next Tuesday.

Besides the regular technique classes a Dance Workshop will also be offered. This is a special class designed to allow young dance students to learn the rudiments of dance composition and to participate in all aspects of dance production. Membership in the Workshop is limited. Prerequisites are registration in a regular technique class, technical ability and a special interest in composition.

Registration will be today at the Orinda School from 9:30 a.m. to noon and from 1 to 3 p.m. Registration fee is \$6 for the first 10-week session and \$3 for the Workshop.

RESTRICTED

An average of 31,499 drivers per month are restricted in their driving privilege for various reasons by the State Department of Motor Vehicles.

Want the Time? Touch the Dial!

If you want to know the time of day, there is a new number to dial now.

Just dial 9-9, then ROchester 7-8900.

Pacific Telephone this week inaugurated the new time service number for people with Drake telephone numbers in Moraga, and Clifford telephone numbers in Orinda.

And when you hear the voice broadcast the time, don't bother to say thank you. The voice will be recorded.

Actually, the time is broadcast from a special recording machine called an Audichron located in Pacific Telephone's San Francisco office. When you dial 9-9 and RO 7-8900, you reach the time machine via a special telephone network that covers most of Northern California.

There are really two Audichrons in the San Francisco telephone office. One broadcasts the time while the other stands by on an emergency basis.

Pet Shop Now Has New Owner

New owner of the Orinda Pet Shop, 226 Brookwood Road, Orinda, is Guy Moore. He assumed ownership September 3. The former owner was Mrs. Alice Gunderson.

Moore announced this week that he is "completely restocking" the store. "I invite everyone to come in and look around," he said. A full line of pet foods and supplies is offered, and there are some birds for sale. Regular hours are 9 a.m. to 6 p.m. Mondays through Saturdays.

Moore and his wife also own a pet shop in North Sacramento, which they have operated for 19 months and which they are now in the process of closing out. Moore's wife, Georgia E. Moore, is in North Sacramento, handling the closing-out details, which Moore expects will be completed in two or three months. "When we've closed that place, my wife will join me here," Moore said.

GOP Women Will Have 10 Bridge Parties

Dessert bridge will be enjoyed at 10 homes in Orinda on October 3 by members and friends of the Orinda Republican Women's Club. If you wish to attend one of these parties, call the hostess in your area. Parties will be held at the homes of:

Mrs. Robert W. Case, 118 Lombardy Lane; Mrs. Bruce H. Anderson, 566 Miner Road; Mrs. Uriel B. Smith, 26 Via Hermosa; Mrs. Aubrey Sweet, 11 El Sereno; Mrs. W. H. Mordy, 42 Los Altos; Mrs. H. M. Fowler, 47 Camino Encinas; Mrs. Robeson E. Smith, 70 Estates Drive; Mrs. N. S. Dodge Jr., 51 Rheem Boulevard; Mrs. Natalie Rutherford, 130 Crest View Drive; Mrs. John Traynor, 29 Hacienda Circle.

Mrs. Virginia Fish, general chairman, and her committee have worked hard this summer making all the favors and plans for the parties.

Charlie Wilson Told of Jets Buzzing Orinda

Sixth District Congressman John Baldwin has written U. S. Secretary of Defense Charles Wilson concerning low-flying jet aircraft, which Orinda residents say have zoomed in just above or at house-top level.

A letter sent to Baldwin earlier, said that "We have feared for our homes and the lives of our families."

Mrs. Martin White and nine others who signed the letter said, "The pilots who are flying at those dangerously low (under 500 feet) altitudes are endangering lives, their own and ours, and risking the loss of expensive aircraft."

Baldwin's letter to Wilson said in part: "I am greatly disturbed about this kind of action on the part of our military fliers, as it is obvious that these aircraft were violating regulations in flying at such a low altitude. "I should deeply appreciate your investigating this matter and seeing that instructions are given to all military installations from which these aircraft could have come to prevent these recurrences in the future."

Baldwin, in turn, wrote the Orindans, "We shall be in touch with you just as soon as a reply has been received."

Beauty Studio At New Place

Pat Friberg this week announced the opening of her Country Club Beauty Studio at the new location—still 53 Orinda Highway, Orinda, but at the rear of the building, where the Orinda Barbers were formerly located.

The new shop is charmingly decorated in pink and white, its wrought iron and off-street entrance leading a New Orleans, Southern and French atmosphere. The shop will be kept open six days a week. Pat Friberg will be assisted by Gladys O'Donnell, formerly of Bill's House of Beauty. Featuring hair cutting, styling and permanents, the shop will offer all phases of beauty work.

To Play Sunday

Fourteen-year-old trumpeter Mario (Butch) Guarneri, son of Mr. and Mrs. Fred Guarneri of 58 Orchard Road, Orinda, will be guest soloist Sunday at the Lakeside Park concert in Oakland.

Mario, a sophomore at Miramonte High School, will play "Carnival of Venice" by Herbert L. Clark. Conductor at the concert will be Herman Trutner Jr.

Tally Petitions About Location Of Moraga P.O.

Tabulation of petitions in the Moraga-Rheem postal situation was under way last night as this issue of The Sun went to press.

At a meeting scheduled for 9 o'clock last night at Clark's Market, representatives of the Moraga Valley Community Club and the Rheem Center Merchants Association were to count the petitions.

Circulated during the past few weeks, the purpose of the petitions was to determine where the majority of area residents want the area post office to be located.

It was recently agreed by representatives of both organizations that there is no need for two post offices, as at present, Moraga and Rheem; that there should be one post office, called Moraga, and that a petition drive would be conducted to determine the wishes of the majority of the people as to location.

Dudley Davis is chairman of the petition-circulating committee of the Moraga Valley Community Club; Jack Winther is club president. Frank Kerrigan is president of the Rheem Center Merchants Association.

It was unofficially reported last night, as the petition-counting session got under way, that the petitions were 2-1 in favor of having the Moraga Post Office at Rheem Center instead of at School Street and Moraga Highway, the present location of the Moraga Post Office.

The present Rheem Post Office is at Rheem Center.

Results of the petition drive are to be forwarded to postal authorities and Congress man John Baldwin.

Dance Class To Begin Soon

Orinda's first square dance class will begin October 3 at Orinda Union School located on Orinda Highway one-quarter mile north of the Crossroads.

The class will meet every Thursday. It will be instructed by Jack Mann of Oakland Junior College.

Registration will be held during the first two meetings, October 3 and 10. The class will be closed after October 10.

Couples and singles alike are invited to enroll for this instruction series scheduled for 8 to 10 p.m. in the school auditorium.

Orinda Library Unit Plans Rummage Sale

Rummage is being gathered by the Orinda Library Board for the group's rummage sale to be given October 3 at Hiller's Variety Store on San Pablo Avenue, Berkeley.

Purpose of the rummage sale will be to help defray operating expenses of the board. Persons interested may arrange to have rummage collected by phoning CL 4-3043 or CL 4-4886.

Pharmacy Has Exhibit of Art

On display at the Orinda Pharmacy are paintings of a famous father-and-son "team," the Siegrists of Oakland.

This fall season exhibit will be on display for several weeks. Present plans call for changing of the exhibit every month or so.

All paintings in the present display are for sale. Louis Siegrist, 56, the father, loves to paint nostalgic and romantic views of early California and Mexico. Lundy Siegrist, 30, the son, gives his youthful, vibrant impressions of the same country in a more abstract manner.

Both are native Californians. Between them they have won 33 prizes in over 85 exhibitions in the United States.

TRAFFIC FATALITIES

Traffic accidents in the unincorporated areas of California during the first five months of this year took the lives of 846 persons.

Mission Night Will Be Held Next Friday

The members of the Ladies' Guild of the Shepherd of the Valley Lutheran Church in Orinda are busy making plans for Mission Night next Friday night. The countries of South Asia will be featured, and proceeds will be given to the Philippine Mission. A dinner and special program are planned.

Theme will be the semblance of a fall cruise to the Philippines, Malaya, Burma, Java, Indo-China, Indonesia, Micronesia, Sumatra and all the countries of Southern Asia. Music and decorations will serve to "transport" the guests to the South Seas.

Dinner will be served at 6 o'clock. The menu will be in keeping with the theme of the evening. The Luther League is planning a panel discussion on the featured countries, and there will be a room displaying articles of interest from the countries.

Garden Club

The Hilltop Garden Club of Orinda opened the fall season Wednesday with a patio picnic at the home of Mrs. John Babcock, 115 Las Vegas, Orinda.

WHEN CONTRA COSTA Republicans stage their "Grand Old Party" tomorrow at the R. Stanley Dollar ranch in Walnut Creek, they'll find this country store as part of the decor. Adding to the scenic beauty here is Miss California Young Republican, Ruth Griffin, being "framed" by "Grand Old Party" general chairman Laurence P. Corbett (left) of Walnut Creek and Hal C. Bates of Lafayette. The beef barbecue and dance will start at 5:30 p.m.

Judges Prepare For Co-Op Photo Contest in WC

Six prominent civic leaders and photographers will serve as judges for the Photography Contest to be held during the Grand Opening Days of the new Walnut Creek CO-OP with prizes totaling over \$200, it was announced today by Jack Kerstetter, photography contest chairman.

Antone Cvetusa, president of the Walnut Creek Chamber of Commerce; Ted Guernsey of Walnut Creek, local photographer; Mrs. Marian Love of the Diablo Art Association; Bob Newcomb, local photographer and newspaper reporter; Mort Blake of the Photo Center in Walnut Creek and Harry White, Orinda photographer, will serve as judges.

The contest's theme of "The Meaning of Cooperatives" will be caught on film by camera enthusiasts during the opening days beginning October 2, through October 5.

"Undoubtedly, our new CO-OP Center will become one of the area's showplaces. The many unique features as the Coffee Bar, the Kiddie Korral, the exhibits, the enclosed patio—to name a few—will easily attract the camera fan's eye for likely subjects," Kerstetter said.

"However, for the more serious photographer, there are still other aspects to be captured on film. These are the cooperative principles observed throughout the world as well as here in the United States.

The contest is open to everyone in the community, with judging done on a collective basis of ideas, composition, lighting and general appeal. There will be a junior and senior division, and glossies or matt entries to be 8 x 10 and under.

Notables Will Attend GOP Event Tomorrow

Republican notables Caspar Weinberger, Robert Kirkwood, Warren Atherton, Donald Doyle and John Baldwin will be present with their wives at the "Grand Old Party" tomorrow at the R. Stanley Dollar ranch in Walnut Creek, General Chairman Laurence P. Corbett of Walnut Creek said yesterday.

The affair, sponsored for Contra Costa Republicans by the county's Young Republicans, Republican Women and Republican Assembly, will feature a beef barbecue, dancing and refreshments.

Because of the extensive catering arrangements necessary, admission will be by ticket only, according to Mrs. Hal C. Bates of Lafayette, ticket chairman. Sale of the tickets, at \$5 a person, will benefit the United Republican Finance Committee fund. The event will start at 5:30 p.m.

Mrs. William R. Dorsey of Orinda and her decorations committee have planned a frontier setting for the barbecue, Corbett said, and committee members will be attired in western costume.

The "Grand Old Party" will attract up to 1000 Republicans in Contra Costa County, Corbett predicted. "The enticing mixture of politics and a party," he said, "has proven to be a welcome attraction to many of this county's loyal Republicans who will be on hand to enjoy the Grand Old Party in the superb setting of the R. Stanley Dollar ranch."

County to Mail 160,000 Questionnaires on Roads

Central county residents are being called upon to help Contra Costa plan its "highways of the future."

Approximately 160,000 questionnaires soon will go into the mails asking registered car owners for their comments and connection with a study of state highways, freeways and expressways, the major city streets and the primary county traffic arteries.

THE ENTIRE COUNTY is being asked to participate in the planning program, Victor W. Sauer, director of the county public works department, said this is the first time in his knowledge that such a method has been employed.

"We are required to look ahead if we are to escape wasting the people's money, and we hope every automobile owner will respond to the postcard questionnaires," said Sauer.

Cost of the program is estimated at \$160,000 and the survey will be jointly financed by the Contra Costa County and the incorporated cities. The latter share will be borne by the aid-to-cities fund.

CHAIRMAN RAY TAYLOR of the Board of Supervisors, which is cooperating with Sauer's department in conducting the study, said:

"We want the people's help in planning highway requirements. It is an unusual program but we feel that at highway conscious Contra Costans will welcome the opportunity to participate. There is a need of an early response."

The questionnaire program is geared to a high level highways survey the supervisors recently authorized Tudor Engineering

Company to conduct for the county.

"When completed the survey will provide a city-county thoroughfare plan for traffic ways of the future," stated Taylor.

The study will lay out Contra Costa traffic routes without regard to political jurisdiction of the various elements as to state highways, county roads and city streets.

Grove-Shafter Hassle Boils To 1 Alternate

All except one of the alternate routes suggested for the Grove-Shafter Freeway in Oakland have apparently been eliminated due to public opinion.

Mass meetings Monday and Tuesday evening conducted by State Highway Engineers boiled the picture down to the G-13 Alternate.

RESULT OF THE meetings was to narrow consideration to the G-11 route originally favored by the engineers, and the G-13 alternate.

G-11 would extend from the Eastshore Freeway along Brush and Castro Streets, cross the intersection of San Pablo and West Grand, continue across Grove, run between Grove and Telegraph, cross MacArthur Freeway, east of Grove, curve at 44th, cross Shattuck at 47th, cross Telegraph at 48th, cross Webster and 51st near their intersection, run along Locksley between Miles and Shafter, cross College near Shafter, run between Shafter and Keith, and parallel existing Upper Broadway to the tunnel.

G-13 would deviate from G-11 at 30th Street, cross Telegraph at 33rd Street, cross MacArthur Freeway between Telegraph Avenue and Webster Street, run between Webster and Shafter Avenue, cross Shafter at 23rd Street, cross College between Clifton and Hunt Streets and run parallel to west of Broadway to Keith Avenue and back to G-11.

AN OAKLAND committee has long opposed the G-11 Route, contending it would cut through and disrupt business districts in North Oakland. It strongly endorsed G-13 through a primarily residential district.

Warren A. Dempster, chairman of the Citizens' Committee, said the G-13 Route would cause the least amount of damage to the north Oakland area.

"It is the shortest route, would take the least amount of acreage and businesses, cause the least interference with schools and churches and provide easiest access to hospitals and doctors' offices," he claimed.

For Contra Costa County, the increase includes \$20,556 in Federal funds and \$31,170 in State funds.

Ingalls Elected; Top '57 Salesman Will Be Picked

Al Ingalls, Lafayette realtor, was elected new president of the Contra Costa County Real Estate Board Monday during the regular breakfast meeting.

He succeeds Jesse (Nick) Carter. Other officers are Bill Hayward, vice president; George Nowak, secretary, and directors Bill Anderson, two year term; Chick Reark and Harlan Geldermann, one year each. Leo Smarsh is salesman director.

A special committee has been organized to pick the 1957 salesman of the year. Frank Curtis, last year's winner of the award, will be committee chairman.

Members are Nick Carter, Barney Gilbert, Stan Massie, Al Geldermann, Al Ingalls, Mildred Tinker and Thane Clark.

They are accepting recommendations.

Real estate commissioner Fred Griesinger will speak on "Beyond the Law" at a breakfast meeting of the Mart, Monday morning, Wednesday noon, George Hoyt will speak at a meeting of the Women's Division at the El Niño, Lafayette.

County Gets More State Road Funds

An additional apportionment of \$2,567,154 State and Federal funds for Federal Aid Secondary county road work was announced today by the State Department of Public Works.

This new apportionment was made possible by Chapter 2402, Statutes of 1957, which Governor Goodwin J. Knight approved July 15.

The action raises to \$14,575,385 the total of Federal and State funds available for county roads on the Federal Aid Secondary system for the fiscal year 1957-58, as apportioned by the California Highway Commission.

For Contra Costa County, the increase includes \$20,556 in Federal funds and \$31,170 in State funds.

INAUGURAL SERVICES were held at the Contra Costa Jewish Community Center in Lafayette last Friday night; the occasion was the installation of Dr. H. Hirsch Cohen (second from left) as the new rabbi of the Center. This installation sermon was delivered by Rabbi William Stern (third from left) of Temple Sinai, Oakland. Assisting in the service was Rabbi Richard Levton (left), who is assistant rabbi of Temple Sinai. Lewis Rapport (right), president of the Jewish Community Center, was among those who extended words of welcome to Dr. Cohen.

Lafayette, PH Demos Celebrate Wine Tasting

Congregating last Friday evening at the Walnut Creek home of the C. E. Zosleys, 1045 Homestead Avenue, 150 members and friends of the Lafayette and Pleasant Hill Democratic Clubs enjoyed a wine-tasting party.

The event opened the fall social program for the two clubs. According to Patrick Sullivan, president of the Lafayette group, Friday night's gathering marked the beginning of a year's activities that will include many such pleasurable opportunities for the voters to become better acquainted with the men and policies representative of the local and national Democratic scenes.

The winning numbers were selected last Friday. Early this week there still were no claimants.

Burning Ban Starts Oct. 1

Three counties and 45 cities in the Bay Area Air Pollution Control District will be able to meet the October 1 deadline on open dump burning, according to Benjamin Linsky, control officer.

Contra Costa County has asked for a delay in complying with the ruling.

Of the six counties asked by mail if they would comply, Alameda, San Francisco and Santa Clara replied they will comply with the board's order issued last March putting an end to open dump burning.

Linsky said that among the cities that will end burning are Oakland, Alviso, Berkeley, El Cerrito, Fremont, Hayward, Hercules, Livermore, Martinez, Pittsburg, Pleasanton, San Leandro, Richmond, Piedmont, Walnut Creek, Concord, Pinole, San Pablo and Milpitas. The district asked 61 cities to comply.

Apartment to Be Constructed

Construction has begun on a 38-unit apartment at Lincoln and Mt. Pisgah Road, Lloyd Rossi of Diablo is the contractor. Estimated cost is \$150,000. There will be two levels.

Diamond K's Grid Contest Offers Prizes

It's kickoff time again for the annual Football Contest sponsored by Diamond K Supply. Up to \$45 in merchandise orders will be offered weekly as prizes.

For complete details and rules, see the Diamond K advertisement elsewhere in this issue. Each week, a list of 20 collegiate and professional games scheduled for that weekend is published. By guessing 20 correct results, you win \$25 in merchandise orders at Diamond K Supply. 19 correct guesses will mean \$15 in merchandise orders; 18 correct will mean \$5 in merchandise orders.

Entries must be turned in to Diamond K Supply, 3671 Mt. Diablo Boulevard, Lafayette, or postmarked before 11 a.m. each Saturday. In case of tie, the prize will be divided equally among winners.

Highlands Get County Approval

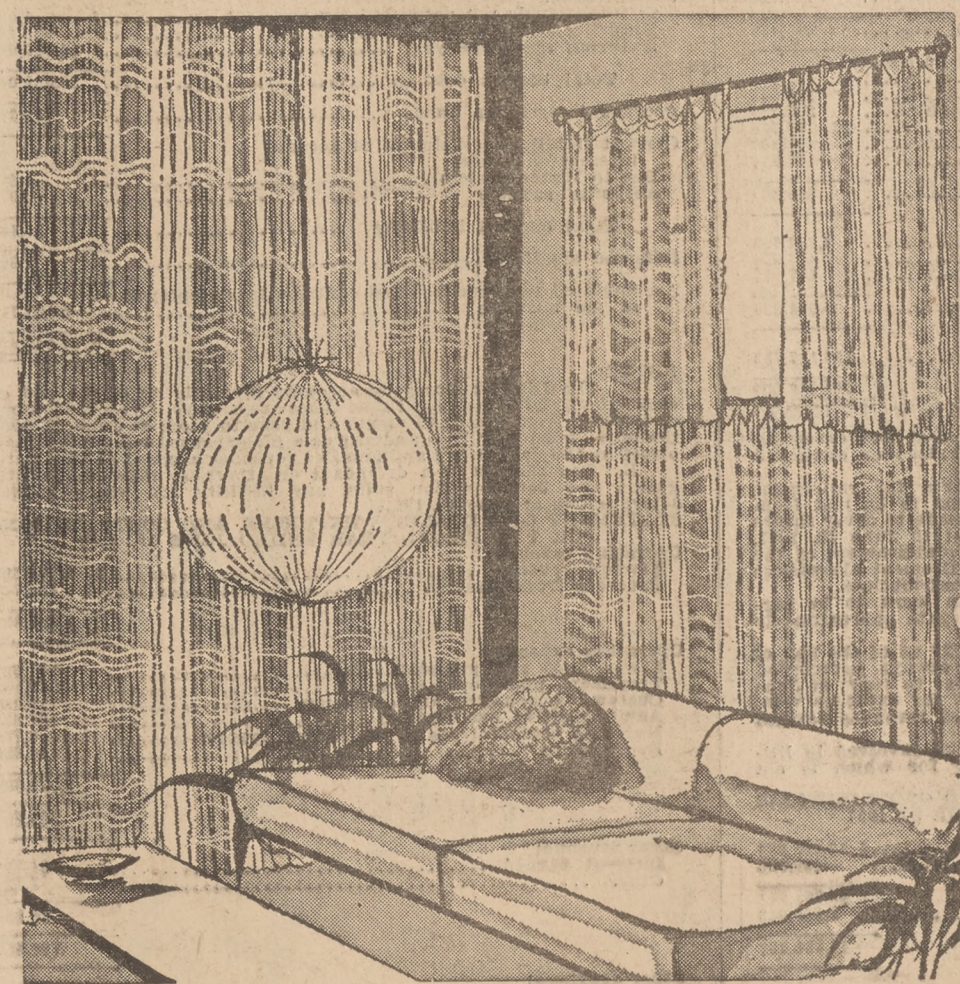

Plans for the Walnut Highlands, a 26-lot subdivision north of Walnut Boulevard near Walnut Creek, got approval of the County Planning Commission this week. The subdivision will cover 11.6 acres in a R-1-B, residential zone.

Go to Church Sunday

Lutheran

The Shepherd of the Valley Lutheran Church will hold regular worship services at 8 and 11 a.m. The sermon "Somebody Died for You" will be preached by Gene Vandewater student from the Pacific Lutheran Theological Seminary.

Sunday has been designated as Youth Sunday throughout the United States and the youth of the Shepherd of the Valley will be participating in both worship services.

The Luther Leagues newly elected officers will be dedicated at the 11 a.m. service. The officers include Gayle Erickson President, Milton Blake Vice President, Kathy Jones Secretary and Joy Bekedam Treasurer.

Sunday evening at 7:30 The Luther League will present a devotional program for the congregation and friends entitled "Here I Stand".

The Junior choir will practice from 6:30-7:30 p.m. The senior choir will meet from 8-9 p.m.

Covenant

Lafayette Covenant Church Sunday School invites you to attend their Rally Day contest 9:45 a.m. Be on the winning team and help us reach our goal. Classes for all ages.

Morning worship at 11:30 A.M. with Dr. Algot Ohlson speaking. Senior High and Chi Rho at 6:00 P.M. Evening Service at 7 P.M. with a fine song service and music by the orchestra.

Midweek meeting Wednesday 7:30 P.M. with Bible Study and prayer. Choir practice.

Lutheran

"The Life of the Spirit" will be the sermon theme of the Rev. Merle O. Tollefson of Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at the 8:15 and 11 a.m. worship services this Sunday. A nursery is available during the 11 a.m. service.

Sunday school classes meet at 9:30 a.m. for pre-school through adult bible class, and at 11 a.m. for pre-school through grade 3.

The mid-week bible study will meet Wednesday evening at 8

at the home of Mr. and Mrs. Louis Oliveira, 740 Glenside Drive, Lafayette.

Presbyterian

Making the beginning of Christian Education Week, The Rev. Carl Thomas's sermon topic for Sunday is "The Family—God's Home and God's School".

The Lafayette-Orinda Presbyterian Church holds its services in the Park Theatre at 9:30 and 11. Parents will register their children for the coming Church School year during the worship services and will be assigned curriculum materials following each service.

The Family Service continues Sunday evening at 7:45 with Carol Thomas speaking on the subject, "Moses—the Man Who Couldn't Say Yes." Come and enjoy a real family song service, special music and message.

The High School group will have as its meeting topic Sunday night, "Building for God." A portion of the meeting will be held at the new church site. Meeting starts at 6:30 at the Veterans Memorial Building.

The Junior High group also meets at 6:30 at the Veterans Memorial Building.

Women's Bible Classes are held during the week. Call the church office for time and location. The Men's Bible class meets Wednesday evening at 10:00 Upper Happy Valley Road, Lafayette.

Episcopal

Three regular services will be held on Sunday at St. Stephen's Episcopal church, at Via Las Cruces in Orinda.

Holy Communion and family blessing at 8 a.m., and duplicate morning prayer services at 9:15 and 11 a.m., with sermons by the Reverend Albert Lucas, rector.

Young people of the junior choir will sing at 9:15 a.m., their anthem being "Songs of Praise" by Martin Shaw. At 11, the St. Stephen's senior choir will offer Handel's "In Thee O Lord Have I Trusted." Both groups are under the direction of Donald Aird.

For the next four months St. Stephen's church will have a new organist, John Rucker, a student

YOO-HOO AND OO-LA-LA—The cast of "Laf-Frantics of '57," to be given October 4, 5, 11, 12, 18 and 19 at Lafayette Town Hall for the benefit of the Lafayette Community Center, is frantically rehearsing these days and evenings under the direction of Dan and Louise Welty. Among the performers in the melodrama and variety show, entitled "Slippery When Wet," are, left to right, Ellie Soder, Theron Nelson, Adriane Sowers, LeRoy Sowers, Shirley Kahn, Charles Luna, Betsey Young and Jack Peterson.

of Choirmaster Donald Aird.

Mr. Aird has been granted a leave of absence during the Fall semester to accept a position as choirmaster and organist at Stanford Chapel in Palo Alto. He will also be lecturer in music at Stanford University. He will continue, however, to train both the junior and senior choirs at St. Stephen's church in Orinda in weekday rehearsals. Rucker will play the organ on Sundays.

Reverend Lucas has announced that those persons interested in registering for a Cottage Group discussion session may still do so on Sunday. Mimeographed registration forms will be available in the nether of the church at that time.

Friends and members of the Seabury Couples Club will hold a "Bring Your own Steak" barbecue next Friday, at 5 La Vuelta in Orinda at 7 p.m., with invitations out to 10 couples interested in joining a church group which is primarily social.

Reservations should be made early by calling Bob and Rita DeWitt.

Committee in charge of the event includes the Mesdames L. Jack Block, Robert DeWitt and Robert Schlenker.

Clark's Sets 'Pet Parade'

A gala children's pet parade will be held Saturday, September 28, at Clark's Market, Rheem, according to Jack Clark, owner.

Any kind of a pet is eligible to enter this parade and prizes will be awarded for the most unusual pet, largest pet, smallest pet, dog with the shortest tail, pet with the longest ears, most comically dressed pet, best trick performed by any pet and the largest reptile.

Clark warned all pets must be on a leash or in a cage and announced there would be a prize for the best Hawaiian costume on a pet.

Some of the prizes are a boys' bike, girls' bike, magic sets, flash cameras, roller skates, pocket watches, girls' wrist watches, telescopes, cash register banks, gun and holster sets and pen and pencil sets.

Prominent local citizens will be the judges and will award all prizes, said Clark.

There will be free refreshments for everyone including coke, ice cream, hot coffee and fresh popcorn, he concluded.

Rheem Center Donates to Youth Athletes

President Frank Kerrigan of the Rheem Center Merchants Association announced yesterday that the association has made donations of \$275 from the \$569.91 profit realized at the August 4 benefit fashion show and aquacade sponsored by the organization at the Donald L. Rheem estate.

Uniforms for the two Moraga teams — Majors and Minors — in the junior baseball setup of the Lafayette Youth Association will be purchased with \$200 donated for that purpose, Kerrigan reported.

The sum of \$75 has been donated to the junior swimming team at the Athens Club, for the team's travel fund. This team performed at the fashion show and aquacade last month.

The balance of the \$569.91 profit will be donated to other youth athletic projects, Kerrigan said.

Larinda Club Greets Joint Meeting, Talks

Larinda Toastmasters Club of Lafayette and Orinda, were hosts to area officers at a joint meeting of Diablo Toastmasters Club 598, Walnut Creek Toastmasters Club 2056, and Antioch Toastmasters September 11, in Orinda.

The tri-city area clubs exchanged speakers, grammarians, the master and individual evaluators, toastmasters, table topics chairmen and the time keeper.

Allen Wendorf 3243 N. Main Street, Pleasant Hill, and president Walnut Creek Club, lead his group, Russell Lowrey of 1418 Sunnybrook, Walnut Creek headed the Diablo Club.

Donald Christen of Antioch, president of Antioch Toastmasters represented his Club. Gordon Forrest 1078 Serrano Court, Lafayette, was head of the host club and general chairman for the special meeting.

George Sanko 3766 Mosswood Drive, Lafayette is area governor, and John Phillips 5 Vista Hermosa, Walnut Creek, is assistant area governor.

AFS Club Holds Annual Election

The Acalanes American Field Service Club held election meetings last week.

Students chosen to serve as officers for the school year '57-58 are Arne Groenings, president; Alice Monosmith, secretary; Cathy Cutler, treasurer; Jeanne Hunnicutt, publicity chairman; and Lou Smith, program chairman. The new officers are starting plans immediately for the annual Halloween Drive, which is one of the year's biggest projects.

Acalanes A.F.S. Club is a student-formed group which works jointly with the Lafayette A.F.S. exchange students to Acalanes. They are also working to promote student body and community interest in the idea of exchange student programs.

We're Sorry We Couldn't Print Bus Schedules

Apparently all the students at local schools got to their classes all right when school opened recently. To date there are no reports of losses of parents or students searching for "missing" school buses.

However, judging from the phone calls received by The Sun last week, there was plenty of confusion the first couple of days of the new school year, because The Sun was not published for two weeks, due to the central county printers' strike.

The bus schedule had been prepared for the issue of August 30. But the printers went on strike August 28, and there was no issue of The Sun that week or the next.

The Sun is sorry for the confusion and inconvenience that resulted for parents and students. With only seven hours' notice that a strike would be in effect at 7 a.m. August 28, there was no way for us to let readers know in advance that there would be no paper that week.

Anyway, we appreciate the patience of the public and our readers' expressions of how they missed us. And we're certainly glad that, somehow, the students found the buses, and vice versa.

Student Body Card Sales Booming

Acalanes High School student body officers this week pushed sale of Don student body cards at the Lafayette high school campus. With more than 50 per cent of the student body sold, student officers hope to wind up their campaign by October 1.

Heading the drive are student body president Ernie Fox, vice president Mac Hancock, secretary Carole Gardner, social secretary Yvonne Nicolet, treasurer Sal Adair, commissioner of clubs Pat Jackson, and yell leaders Link Van Ummerson and Sharon Haydon.

Student body cards allow participation in Associated Student activities and provide for "cut rate attendance prices" at student functions.

The Acalanes Student Council, governing body of the school's Associated Student Body, held its first meeting of the school year last week.

University to Teach Realtors

Many realtors from this area are planning to enroll in the Fall session of the Real Estate Certificate Program being offered by the University Extension of the University of California, announced J. H. Carter, past president of the Contra Costa County Real Estate Board.

"This is the seventh year of the Real Estate Certificate Program. It has attracted over 23,000 students," said Carter. "Over 450 Real Estate Certificates have been issued."

This educational program, part of the statewide University Extension service, is designed specifically for persons active in the real estate business or its related fields.

Realtors are attending the classes in order to gain the specialized knowledge now necessary in the increasingly complex real estate business.

Carter Praises House Buyers

"This may well be the time for you to buy a house as protection against possible inflation, as well as a means of savings and living convenience."

J. H. Carter, past president of the Contra Costa County Board of Realtors made this statement today in commenting on widespread national reports of the danger of inflation.

Carter made it clear that the policy of both the Contra Costa Real Estate Board and the National Association of Real Estate Boards with which it is affiliated has been one of resolutely opposing inflationary measures.

Autos to Sport That 'New Look'

Automobiles in the area will be sporting the new look with fluorescent signs reading "Give a United Crusade," according to Jack Pedder of Lafayette, Contra Costa United Crusade Diablo Valley Chairman.

The bumper strip signs are an innovation of the recently formed countywide public relations committee with Floyd Ries of Walnut Creek serving as chairman.

"We want not only every one of the 1600 volunteers to be sporting a bumper strip on their cars, but will have some for the public," Pedder said.

"We know more and more people are more cognizant of the need for a 'big give' during our October drive. Naturally we are pleased at their interest and awareness of their responsibility right here in our community. And so, we are making available a certain number of these bumper strips for anyone interested in them."

The local United Crusade office is located at 2363 Mt. Diablo Boulevard, Walnut Creek, YE 4-7656.

Assisting Pedder in the distribution of the signs are the following area chairmen: George Dodge for Orinda and Moraga; Ted Barcelon for Lafayette; and Richard Donovan for Pleasant Hill.

Dr. Hagerty Succumbs at 58

San Francisco Bay Area lost one of its outstanding Catholic lay leaders last week. Dr. James L. Hagerty, 58, professor of philosophy and world classics at St. Mary's College, died early September 11 at St. Mary's Hospital in San Francisco.

Hagerty, who had served St. Mary's in various capacities for 37 years, spent last year on a sabbatical leave. Two months ago he became ill and was unable to recuperate.

Nursery Opens In Lafayette

The Lafayette Cooperative Nursery School opened Monday at the Lafayette Convent Church on Moraga Road.

The children are divided into three groups. The 2½ to 3½ year olds meet two mornings a week on Tuesdays and Thursdays. The 3½ to 4½ year olds meet three days a week on Mondays, Wednesdays, and Fridays and the pre-kindergarten group meets four afternoons a week.

HERE WE GO

After a planned vacation (discovered Disneyland is everything good everyone said) and an unplanned vacation, here we go again—baby shower, birthday parties for big and little, trips, visitors.

Although it's the Stellers' third baby coming up, it was a first baby shower for Sally. Eunice Strieb and Margaret Mayfield collaborated and hosted a most delightful affair one morning last week.

Artificial flowers in the trees, miniature clotheslines with doll clothes as a table centerpiece, a flower bedecked buggy for the gifts, and the most mouthwatering homemade coffee cakes by Margaret.

Carol Lane was well represented—Julie Paulovic, Phyllis Murphy, Sylvia Loper, Marie Jamieson, Betty Devlin, Mary Ann Zivie, Jo Evans, Anita Mitchell (newlyweds in Bell's house), Lucille Lapsley, Ruth Compas, Connie Kieny, Fran Plath, Betty Hanson, June Miller, Evelyn Ball, Peggy Riehl, Gloria McConnell, Jean McLennan, Jea Bondurant, Joyce McDowell, Elaine Molberg (who now lives in Pleasant Hill), Nolly Vanderbrugg.

Eunice Mignola came from Moraga Boulevard and I did the honors for Janet Lane.

There was a time when this was a predominantly male neighborhood but the girls are coming along fast. Most everyone brought their pre-schoolers, and can only remember the little Riehl and Evans boys—lots of little girls.

BUSY MAYFIELDS

The Mayfields have been pretty busy. They went to Chicago for their vacation — Margaret took Rise by train, and Al took Craig and Doug by car. They drove up through Oregon, Washington, took 22 fish out of Coeur D'Alene Lake in Idaho, intended to fish in Minnesota but the mosquitoes defeated them, they saw Glacier National Park and thus gave Margaret a chance to visit her mother, five brothers and two sisters in the Windy City.

On the way home, they visited Salt Lake City, friends in Cheyenne, Reno, Tahoe, Squaw Valley — wonderful trip.

Since then, they have been painting their house and this weekend should see it finished, and then they are ready for the next season.

ANOTHER TRIP

The Bondurants of Carol Lane also took a four week, less two days, trip. They visited Illinois friends who live on a farm for a few days, then to Newark, Ohio, to see George's folks, on to West Virginia, where they saw more relatives and went camping in the mountains, and then back to Ohio.

On the way home, they intended to stay in Denver but Jean contracted Asiatic flu and although it was suggested that she stay for a short hospital visit, she only wanted to come home and right away. However, up until that time, everything had been what they hoped from a special vacation.

Jean is feeling much better, and a good thing, since she is on the Junior Women's Club board, the Springhill PTA board, and is always active in her church.

She was expecting guests for lunch last week, and upon returning from taking her new kindergarten, Jan, to the bus, found her pre-schooler, Susu, had locked them out.

Everything as tight as a drum, so George had to be summoned from work, he didn't have his keys either, so had to remove a pane from a window, and they got in the house about 11 and lunch was ready on time, but days like that will set her back.

FRIENDS COME HERE

Instead of crossing the continent, Ruth and Hunter Stedman had their friends come to them. Nell Carson from St. Petersburg, Fla., and Mildren Wiggins from Evansville, Ind., came out to visit the Stedmans on Walnut Drive and their mutual friends, the Evans Jeffries' in Santa Rosa, so have been dividing their time.

On weekends, the six of them get together, Labor Day at the Jeffries', last weekend at a big barbecue party at the Stedmans, one memorable trip to Las Vegas, and this week will polish their vacation off with Tanforan, dinners in San Francisco and last-minute shopping.

The Worsams of Woodland Drive didn't go away this summer on a short shopping tour, June

Rumford, the across-the-street neighbor, let the girls in and they hid and jumped out at the right time. Those from our area were Elaine "Tootsie" Roach, Penny Pike, Rochelle Zarkin, Val and Pamela Rumford, Kathy Pringle and Kathy Thompson.

In a way, it was Roy Mortensen's scout troop that surprised him with a party September 7. It was a combination birthday and thank-you for those who had done him a good turn in building the rumpus room and patio area—said helpers being the Peters, the Arrigos, the Holdens, the Richards, the McCluskeys (big news in that household is that Don is going back to work after being home two months recuperating from his ulcer operation—after being a househusband, he is going

to work to get some rest) and the Reeds.

Also a "thank you" for everyone who helped with Skip and Art Peter's pool was the party they had last Saturday night. All told, about 70 attended out of the 84 invited—there was dancing, swimming and eating, and a merry time had by all.

The Mortensens, the Repettos, the DiGrazias, the Wrights, the Hicks, the Madisons and both the Borgwaldts, and Mac Bull were the localities.

Mac also had a wedding reception at his home earlier for his brother and bride, the Bob Bulls, who were married last month in Nevada, and when the reception was over, it moved next door into the party. Some came from the Junior Suburban barbecue, so all in all, 'twas a busy night.

Parents, Teacher Meet at Burton

Many new parents and teachers along with the old ones converged on Burton School Thursday evening for the first PTA meeting.

Max Wizer introduced the teachers and Mr. and Mrs. Art Hughes, president of the PTA, introduced the following new board and committee members:

Community Pool Group Formed

The latest addition to the growing list of community swimming pool groups in western Contra Costa County is that of the Moraga Valley Pool Association.

The group was formally incorporated August 9 with John Goerl as president; Bruce Hoffe, vice president; Carroll Foss, secretary; and Kenneth Anderson, treasurer.

A deposit has been placed on a seven acre tract on Risa Drive, off Ivy Drive, Orinda, and a Land

Use Permit has been granted by the County.

Membership in the association will be limited to 300 families living in the area. Plans are being developed to construct a \$75,000 swimming facility including a pool, bath house, and large parking area.

The sale of memberships will be under the direction of John Hallisey. Residents of the area who desire additional information may obtain it from members of the Membership Committee William Carr, John Fielding, John Hallisey, William Holland, James Roberts, Edward Walsh, Willis Welsh, Robert Wendorf.

Arts, Crafts Classes Listed

S. G. Culver, president of Valley Art Center, announced arts and crafts classes scheduled for the fall season.

"There is a variety of subjects," he stated, and listed mosaic for beginners and advanced; beginning jewelry, ceramics and publicity writing.

He added that if there is sufficient demand, additional classes may be organized in painting, sculpture, contemporary design and silk screen. Those interested may call Mrs. Rawlings Simon, Lafayette.

Four beginners' classes in mosaic are scheduled to start Wednesday, 10 to noon, in the Orinda, Lafayette and Walnut Creek homes of the instructors. Six lessons, on succeeding Wednesdays, are included in the series priced at \$18 plus cost of materials.

Enrollment may be made by contacting the instructors, who include: Mrs. Rawlings Simon, 4141 Los Arabis Drive, Lafayette; Mrs. J. Gordon Ainsworth, 73 La Cuesta, Orinda; Mrs. Peter Howard, 2885 Walnut Boulevard, Walnut Creek, and Mrs. Eleanor Condon, 110 Richard Lane, Walnut Creek.

Mrs. Simon will teach Mosaic II on Thursdays from 8 to 10 p.m. at Vallecito School, Lafayette. Mrs. Howard will also conduct an evening mosaic class, starting early in October.

Dr. David Harris, Walnut Creek, has set Tuesday evening, October 1, as the starting date for a series in jewelry at the Diablo Work-

Orinda Students Are Offered Driving Course

A course in how to drive an automobile intelligently and safely is being offered this year to students at Miramonte High School. Driver training classes, in which students will receive a minimum of six hours of actual behind-the-wheel driving instruction, are made possible by the loan to the school of a new Ford by Rett-White Motors of Walnut Creek.

The car has been equipped with AAA dual controls supplied at cost by the California State Automobile Association.

This on-the-road training serves as a supplement to the classroom instruction in driver education. The classroom phase familiarizes the student with the natural and man-made laws governing the operation of operating a motor vehicle and gives him a thorough background in the responsibilities and requirements of driving.

Donald Phillips will instruct.

shop. The time is 7 to 10 p.m., and cost is \$10 plus price of materials.

Offered for the first time is a class in publicity writing by Mrs. Ainsworth, to start Thursday, from 10 a.m. to noon, at a cost of \$18 for six sessions.

REVOKED

The driver licenses of 904 persons were revoked last year by the State Department of Motor Vehicles for "lapse of consciousness."

Diablo Choral Is Practicing On Wednesdays

The Diablo Valley Choral has resumed weekly practices on Wednesday mornings at the Walnut Creek Presbyterian Church, 1720 Oakland Boulevard.

The choral members are already working on new music in preparation for their Christmas program which will be presented at the Alamo Women's Club early in December.

Mrs. E. C. Shokal, membership chairman, said that the new members are being sought, and there are openings for sopranos and altos. Persons interested may call her at YE 4-4087.

The group held a luncheon and business meeting Wednesday at the home of Mrs. C. R. Smith of 844 Las Trampas Road, Lafayette.

Farm Bureau Women to Meet

The first fall monthly meeting of the Orinda Farm Bureau Women will be held at the home of Mrs. R. O. Shoemaker, 150 Crest View Drive, Orinda, on Wednesday at 12:30 p.m. Dessert and coffee will be served.

This organization is a section of the University of California Agricultural Extension Service.

This year's program will be as follows: September, New Window Treatment; October, Tailoring Details; November, Christmas Idea Exchange; January, Budgeting & Credit Buying; February, News in Nutrition; March, Furniture Refinishing; April, News in Fabrics; May, Home Safety; June, Foreign Cookery.

Wednesday Glorietta School will have its Tea at Mrs. Paul Handlery's home, 13 Virginia Drive (off Glorietta Boulevard); the time is 2:30 to 4:30 and the chairman is Mrs. Gordon Ault. Thursday Orinda School will meet at the home of Mrs. G. W. Miller Jr., 30 Las Cascadas Road (Country Club area); the time is 3 to 5 and the Chairman is Mrs. Raffi Bedayn.

Next Del Rey School will come to Mrs. Clinton Coopers', 15 La vencia (Lincoln Estates); the time is 3 to 5 and the Chairman is Mrs. H. Dauphinee.

The Mothers of the fourth, fifth and sixth grades of the schools are sharing Assistant Hostess duties.

Pear Psyllid (Noted Pest) Now in County

The pear psyllid, a troublesome pest to growers, has now been found in all pear-producing areas of Contra Costa County, according to a report just released by A. L. Seeley, agricultural commissioner in the county. The report states that the pear psyllid is an important pest of pears and although a native of Europe, it gained entrance into the North Atlantic states in 1932.

A Tribute—To Our School Teachers!

Today, as no time before in history, the school teacher is recognized as the builder of tomorrow's America! With juvenile delinquency increasing apace, it is high time that glowing tribute was paid to these patient men and women who instruct our young. Let's remember that teachers are human beings, not machines. Let's give them the support and confidence they so richly deserve. Let's attend P-T-A meetings and contribute something more than children. This community is fortunate in having such fine schools and outstanding educators. We applaud their work and their good American achievements!

Civil Defense Week-- Vital Reminder for All

It's easy, these days, when we are besieged by all sorts of "weeks" and "days" ranging from Put the Cap on the Toothpaste Tube Week to Save the Doughnut Hole Day, to lose sight of the more important special events which every good citizen should observe.

These special events are necessary, for they focus our attention on many worthwhile endeavors.

Such an event is now here — the White House-designated second annual National Civil Defense Week.

In this area interest is keen in National Civil Defense Week, which started last Sunday and continues through tomorrow.

Ralph E. Holmes, acting civil defense director for Contra Costa County, aptly sums up the significance of the occasion. He says:

"During this second annual National Civil Defense Week, the attention of the American public is once again being focused on the nation's disaster preparedness program.

"We are an optimistic people — we do not expect a nuclear war any time soon, nor do we expect a flood, earthquake, fire or explosion to strike the particular town in which we live.

"Yet, so long as these possibilities exist, we would be foolish not to guide ourselves accordingly.

"You cannot wish away or out-talk a flood or a bomb — you can, in some instances, out-think them."

The Staff Corner

Of Dirt, Steaks and Paint...

By DICK OSBORN

"It's a workaday world," somebody once commented, and alas, 'tis true, 'tis true.

Can recall idle speculation on the life of the idle rich with colleagues during idle moments (on company time naturally . . . that's the only time that it's really fun to WASTE time . . . when it's somebody else's).

AND THAT'S WHAT INSPIRES this bit of timeless prose. Have just returned from vacation where I had idle time and money to spend.

Wish to emphasize that I HAD money to spend . . . that is why I will now have much idle time for a while . . . can't afford to go anyplace.

But would it be fun to be idle rich, like during vacation? . . . yes! Found new series of experiences . . . some of which didn't cost much money, and which will bolster sagging spirits until income can afford other type of spirits to bolster sagging spirits . . . etc.

Will not forget for long time picture of two bearded, unkempt, just plain DIRTY companions sitting around campfire in high Sierra . . . discussing of all things, professional ethics. One of course, is prominent dentist, other prominent surgeon.

THING THAT MAKES this remem-

It is good for America that public attention is once again directed to the disaster-preparedness program named Civil Defense — for two reasons.

First, every year some 400 national disasters take their toll in lives and property in these United States.

Second, as a nation, the threat of thermonuclear war still remains very much with us. The fact that a single enemy bomber carrying a single nuclear weapon could demolish any community any place in the United States is as true today as it was this time last year.

No one person or one department of one government — be it state, local or national — can do all the things which must be done to save lives and property and protect our nation in time of disaster — alone.

This is where you come in. Non-military defense, after all, ultimately reduces itself to people acting individually and collectively to protect themselves in times of emergency.

We should always bear in mind that Civil Defense is not a special kind of protection service organization available to our community, or any community, through the use of a telephone — it is our local or county government, our industries, our organizations, in our own community, our people right here doing what comes naturally — taking the good, time-honored, common-sense measures to protect themselves when disaster strikes.

brance noteworthy is that if either had been viewed by patients at that moment, neither would now have practice . . . it just isn't possible to get clean after looking like THAT.

ALSO RECALL SUNNY SKIES and beautiful sea at Carmel, and delicious steaks, excellent wine, and charming wife for company in more sophisticated portion of vacation.

Spent one entire day buried in series of books in comfortable chair, which puzzled wife . . . why should anybody go to Carmel for a vacation, then spend it in a chair with a book, she asked? She may be right, but it was MY vacation, which I acidly pointed out while turning a page.

(Besides, she got sand in her shoes, which shows the folly and danger of going outdoors . . . especially where there's sand.)

RECALL VISCISITUDES of painting own house . . . not much fun, but then, not so bad, either . . . especially when you can blame the local paint merchant from whom you purchase supplies when the job doesn't go right.

(Of course, local merchant got last laugh by pointing out that I was lousy painter, which was so true that I was forced to stop talking . . . an unique experience.)

TV'S MORE FUN ... when there's a second one

With so much good entertainment in sight this Fall, a second set will mean more fun for everyone in the family. The kids can have their "horse operas" (behind closed doors)... and Mom and Dad can watch their favorite program, too. Low prices make this the time to buy that second TV set... and turn your old model over to the kids.

Use the chart to take a poll of your family's TV tastes (if you can't get together, a second set is the answer).

Pat Gets Water Bill-- Ergo: Mad Number Five

By PAT PENDING

Before The Sun temporarily suspended publication due to unforeseen occurrences, Herman Silverman, Publisher, listed his "Mads"—up to number four. Here is my Mad Number Five!

Well, it finally happened! I just received my Cal Water bill and it is one dollar MORE than the monthly milk bill for my entire family! So, we plan to discontinue the use of water and MILK the lawn and shower and bathe in half and half!

The old expression:

"You can tell that rich people live here by the looks of their garbage!" Should now be:

"You know these people have loads of money because they serve California Water Company water to their guests instead of champagne!"

I get mad, Herman, but I can't afford to blow off steam—water is too expensive.

No kidding! I lived for eight years in San Diego (which gets its water from the distant Colorado River) and I never paid so much for the vital fluid as I do here (where you can go down 30 feet with a post hole digger and get water).

The California Water Company knows this too. That's why they insert a clause in the contract a new user signs—that the signor won't dig a well. They should lose their lucrative monopoly!

It all reminds me of a line in Shakespeare's "Merchant of Venice":

"—There are land rats and water rats; land thieves and water thieves—I mean pirates."

Strange as it may seem, not too long ago my water bill for two consecutive months was EXACTLY the same to the penny! I can only compliment my wife on her uncanny ability to measure out her dish water so precisely. She must use a stop watch when she waters our lawn or takes a shower. She's truly an amazing woman!

Oh, well! We stopped using cream in our coffee to cut expenses. Now we'll make our coffee with milk for the same reasons. Speaking of coffee—there's a new one on the market that is simply wonderful. It costs less than the water you make it with!

When I moved to San Diego in 1942, Lake Hodges was nine miles long. After a prolonged drought, fishermen began catching gophers instead of crappies. The Fish and Game Department had to inoculate all of the fish against tuberculosis because they'd developed lungs! When I left San Diego in 1951, farmers were growing corn on the lake bottom clear up to the dam.

AND STILL WATER (OR RUNNING WATER FOR THAT MATTER) RATES WERE LOWER THAN THEY ARE IN THIS AREA! How come?

Cluff Addresses Diablo Council

The informative and amusing talk given by Dr. William Cluff Jr. was the highlight of the afternoon meeting of Mount Diablo Council of PTA September 10.

Dr. Cluff is the Mens Membership chairman, 32nd District and he stressed the importance of gearing programs to interest the fathers and keep them interested, and said, "You have them as

members, get them as comers," Mrs. Elliot Mauzy, Director of Communications, 32nd District spoke on the national aspect in membership in PTA.

The inspirational was read by Mrs. Orlin F. Vaughn. She reported that this year the Ministerial Registry in Concord will furnish inspirational prayers for the use of those units unable to obtain a minister for their meetings.

Mrs. Allan Fuller told members that due to the strike, the publishing of the Council Directory will be delayed but she hopes to have them ready for distribution by the October meeting.

The "buzz session," a new idea being tried this year in Council, met with approval. Mrs. R. J. Hansen presided over the hospitality session and Mrs. Gordon Hommer, the magazine. Mrs. Thomas Hazlett, president, announced next month's "buzz session" will feature the newsletter and publicity chairmanships.

Letters to The Editor

EBMUD COMMENT

Dear Editor:

Here is the letter from Louis Bruener . . . I thought you might like to see his statements regarding fluoridation. No doubt you are aware of the recent action by the California State Supreme Court in upholding the California Public Utilities Commission's order to the California Water Service in Oroville. I am enclosing a few pamphlets which you may be interested in seeing . . . The Health Department will send them free of charge to anyone who requests them.

"With respect to fluoridation of the water supply, the problems facing the Utility District at this time are largely of a legal nature. The district, unlike a city which under the state constitution has broad home rule powers, must operate within the framework of the Municipal Utility District Act. This act closely defines and limits the authority granted a utility district's directors and officers. It does not grant a utility district authority to add fluorides to the water supply. There fore the directors of EBMUD feel that the Municipal Utility District Act must be amended by the legislature to permit introduction of fluorides into EBMUD's water supply, if this were the wish of the majority of citizens of the district.

The State Legislative Council has confirmed the board's opinion in a memorandum to Senator Arthur H. Breed Jr., who had asked that body for an opinion. The State Attorney General, however, does not concur in these views, for at a later date he rendered the opinion that the district could fluoridate without a change in the act, thus further complicating this important question. These conflicting views clearly point up the need for clarification by the legislature.

"In 1955 representatives of interested groups including the Oakland Junior Chamber of Commerce, Alameda County, Contra Costa County and Berkeley Dental Societies, Parent Teachers Associations and representatives of EBMUD held a working conference in which a draft of an amendment to the California Municipal Utility District Act was prepared which would make the addition of fluorides to a public water supply by a water district permissible.

In spite of all these activities, no bill was introduced in the recent session of the legislature, and therefore the district Board of Directors is unable to take any action at this time. When and if such a bill is ever passed by the legislature, the Board of Directors will then take steps to place the question before citizens of the District so that they may make the final decision on this measure which is of such broad community interest.

Also, I have been wanting to write and congratulate you and your staff on the recognition and awards received by The Sun. They were well deserved. You have done a good job both in newspaper coverage and in community service!

MRS. ROY TESS

Rosh Hashanah Will Be Start Of Holy Days

High Holy Days services will be observed by those of the Jewish faith throughout Contra Costa County at the Contra Costa Jewish Community Center in Lafayette, beginning Wednesday evening, September 18, at 8:00 p.m. Fred Katzburg, of Pleasant Hill, announces the Holy Days are a 10-day span devoted to religious self-examination.

The liturgy for the New Year, 5718, or Rosh Hashanah, to use the Hebrew term "Rosh" meaning beginning of, "that" meaning the anniversary, meaning year, includes special prayer of penitence, unison readings stressing the theme of man's ability to improve, and hymns of aspiration and thanksgiving.

DURING THE SERVICE on the morning of the New Year, the shofar, or ram's horn, sounded as a call to conscience. In many Jewish homes honey is served at the dinner meal in token of the hope for a year of sweetness.

The High Holy Days reach their climax with Yom Kippur, the Day of Atonement, when those of the Jewish faith spend most of the day offering prayers which ask for divine forgiveness for faults and weaknesses. Many fast on Yom Kippur.

Conducting the entire services will be Dr. Hirsch Cohen, the new rabbi of the Center, and he will be assisted by the choir under the direction of Mrs. Norman Danoko of Walnut Creek.

ROSH HASHANAH service will begin Wednesday at 8:30 p.m. Service will continue Thursday at 10 a.m., with children's service at 2 p.m.

Dirty Politics, Gambling Enter Race for Sheriff

By HERMAN SILVERMAN

Politics is in the air. Clean and dirty. Let's take a look at the sheriff situation.

Will Sheriff Harry Brown run for reelection? Until recently, the answer was certainly yes. But the sheriff has been a very sick man—re-occurrence of malaria, measles, blood pressure. It could very well be that his health will not permit him to run again.

If he doesn't I predict that his undersheriff, John Jagard, will announce his candidacy.

Come one, come all . . .

Whether Brown runs or not, I believe that two, three or four men now in the sheriff's office will be candidates. Inspector Ray Stoffels and Sergeant Walt Young reportedly have been campaigning for some time. Deputy Bill Faulkner might run — if he had the money and the right backing — so says the grapevine. Inspector Norman Wilson's name is being kicked around but he told The Sun that he has only one year to go toward his 25-year-retirement and wouldn't consider it.

Outside the sheriff's office are other candidates: Observers say Constable Clint Jones of Walnut Creek has lined up support and will jump. Pittsburg Chief of Police Sal Jimno says "no," but the Davi Machine and others may change his mind. Concord Chief Ron Orin is definitely considering it this year. He may not, however, because he has such a good deal in Concord. His force has increased from 3 to 36 and it's a good job.

Big money is against Brown

The Big Money and the Big Power will probably be placed behind one strong candidate. This could be done in the primary but more likely in the general election. The Big Money does not want a "tight" county and wants to see Brown defeated at any cost. Three or four candidates in the primary would assume them a run off in November. If only one man ran against Brown, the incumbent could very well win in June.

Dirty politics? I note with interest the sudden outbreak of some dice games in local restaurants. The sheriff was in bed; the undersheriff was on vacation. The district attorney cites several spots.

Could this have been planted to embarrass the sheriff? Did some of the boys in the sheriff's department look the other way to make Brown look bad?

I make no excuses for the sheriff's department. When the undersheriff was called on his return at 1:30 a.m. with the report, he should have taken action immediately. He said that the bar-restaurants closed at 2 a.m. and they couldn't have arrived in time.

Where were the deputies?

Meanwhile in the Lafayette-Orinda area, where were the officers covering the Tunnel Strip? Inspector Norman Wilson is in charge of the Lafayette sub-station. He told us that he doesn't frequent the night spots and so wouldn't have known.

My answer to him is the same as it was some years ago when gambling in various forms was rampant while Wilson worked under ex-sheriff Jim Long.

My answer to Wilson or any other law enforcement official: it is your business to check and investigate any place where there might be trouble.

In last week's Sun, the sheriff's spokesman said they would close up everything and anything — and go into city limits if necessary. That is good. Let's see more action, less talk. Brown is back at work, I hear. Let's see what happens.

New Creative Dance Schedule Announced

Plans for new fall classes in creative dancing and tumbling for children and an "exercise" class for women are being announced by Mrs. Ted Krasky of Walnut Creek coordinator of the Valley Creative Dance Group.

Mrs. Roy Mangini of Lafayette is treasurer. Classes are held weekly on Wednesday and Thursday afternoons at Montecito School in Lafayette. Registrations are still being accepted and detailed information may be obtained from Mrs. Krasky.

Instructor of the women's class will be Marguerite Ford, former member of the San Francisco Ballet Company and former dance instructor at Mills College. Audrey Pill, who has danced with the New York City Ballet, on TV and in "High Button Shoes" on the stage, will be instructor of the creative dance classes, and Mike Angel will be tumbling instructor.

The class schedule is as follows: Wednesday 10 a.m., women's "exercise" class; 2:45, pre-school creative dancing; 3:30, kindergarten creative dance; 4:15, Technique I and pre-ballet. Women See Latest Fall Fashions

A large group of area women attended a fashion show luncheon held recently at the Claremont Hotel, Oakland.

The first in a series of weekly fashion show luncheons was highlighted by the display of advance fall styles created by Senor Es-svaz.

The ladies included Mesdames William McGuire, Howard Hamilton, Leonard Mahler, Milton Walkup and Murray Lehr, all of Lafayette, Mesdames Arthur Lundblad, William Scatena, Leslie Rogers Jr., Patrick Finn, all of Orinda.

Mrs. Robert Muentner of Walnut Creek, and Mesdames Les Malloy, Donald Mulford and Richard Blesner.

More than 300 women attended the show.

Friends Honor Miss Quartarolo

The home of Miss Bette Platner on Castle Hill Road in Walnut Creek was the setting this past week for a miscellaneous bridal shower honoring Miss Lynda Quartarolo. Twenty-two members of the 1957 graduating class from Las Lomas were guests at the party.

The party also served as a farewell to most of the students who are off to attend colleges in all parts of the country. Leaving for Dominican College in San Rafael was Miss Annette Ramella, to Stanford University, Judy Knowlton and Madeline DeKlotz, to Santa Barbara Susan Wallace, to University of California Jane Knight, to San Francisco State Gail Penaluma, to Pomona Marge Johnson and to Stephens College in Missouri, Miss Wendy Kodwell.

Other guests at the shower included the Misses Marion Nicholson, Nancy Weant, Pat Gaffney, Mrs. Robert Ramia, Karen Brinkoff, Sue Sankey, Carol Cashin, Nancy Schwan, Pat Jessor, Judy Seahole, Carol Zimmerman, Mrs. Lloyd E. Wood, Mrs. Carol Platner, and the hostess's mother, Mrs. William G. Platner Sr. Congratulations were also in order for the Misses Lynn Bell and Jacqueline Lavery, whose engagements were recently announced.

By the time you read this the Stanford Holmgrens and their three children, Lynn, Larry and Karen will have departed for parts WELL known. They are starting their year's sojourn with (what could be more fitting) a tour of Washington, D.C. From there, they were to fly to New York, where they were to meet Stan's brother and his wife, who will see them off after a few day's visit.

Then, off to Europe where the "Hotel Victoria" in Geneva will be their headquarters. The three children are entering schools in Switzerland and Van and Stan will be free to really explore that land across the sea.

They were entertained at oh! so many Bon Voyage parties and, what with all of the planning and packing involved—one wonders how they could have looked so "alive" just before leaving.

The Arthur Lundblads' party honoring them I have already mentioned—it was just lovely. Then a few weeks ago—Peggy and Bud Ong of Lafayette and "Steve" and Don Huckle of Piedmont co-hosted a huge get together. A happy surprise for everyone there was the presence of a former Walnut Creek couple, the popular Helen and Art Kinkler who now live in Southern California.

AND, to top off this series of Holmgren affairs (too many to mention) the Bill McGuire's hosted a true "extravaganza" recently. We all gathered on the large patio which surrounds the pool and the most attractive, huge posters depicting different locals in Europe formed a background and, of course, lent atmosphere to the evening. Charcoal fires glowed softly at intervals around the yard (came in mighty handy for back warming, I might add) and at one of the braziers, Bill barbecued the most delicious "Pu-Pus" (Hawaiian for hors d'oeuvres—my dear!).

They were thin slices of meat which had been marinated in a sort of sweet sour sauce and then skewered on tiny, slim, bamboo sticks. At one end of the pool was an exotically decorated table laden with the best, best canapés. Before dinner, the Holmgrens opened their may "gag" gifts and they are we were most surprised with the versatility of the poems accompanying many of them.

VAN WORE SUCH AN EXQUISITE gown of camel colored satin. The empire type bodice was of brown chantilly lace underlined and piped with pink satin. What a compliment to her reddish-golden hair! Thelma Sweet wore an unusual combination (and one I've always loved) of colors. Her royal blue sheath was topped with a powder blue cashmere cardigan bound with the same bright blue. Stunning!

Josephine Boyson looked so dainty in a white frock which was embroidered with tiny pink roses and blue forget-me-nots. A sweater to match, of course, and the tiniest pumps in the same shades. Lou Lang looked outstanding in the brightest of vermillion knits with matching jacket. And hostess Bobbye, looked her usual attractive self in a silk print accented with a wide bright orange sash.

Now, back to vacation doings. Jeanne and Jack Tomlinson have been enjoying his month's leave from the Air Force prior to being stationed in Alaska. They decided that it would be fun to review former vacation spots and so have visited Carmel, San Francisco, Santa Cruz, Stinson Beach and Lake Tahoe. Sandwiched in between these short trips were fun get-togethers with many of their old friends.

George Louie, one of the physical therapists at the Mt. Diablo Therapy Center, spent his vacation in Northern California, where he made stops at Redding, Lassen National Park and in the Shasta area. Also of the Center; Juanita and Charles Benoy's daughter, Suzanne, at last found that her vacation here was at an end and she and her tiny daughter flew to New York, where she spent the week-end with friends and then flew on to Germany to rejoin her husband, Chris, who is in the Army there. How the Benoy's will miss them!

Helen and Tom Sorenson have returned from a two weeks' visit with friends in Montana. They had looked forward to the fishing at Georgetown Lake but apparently the fish had not been notified of their arrival (or perhaps they had!). While in the general area they visited Yellowstone National Park and the Jackson Hole country.

Sybil (Mrs. James) Felchlin made one of her rare visits to the pool at Orinda Country Club recently (they have a pool of their own now) and it was so nice during the past year, and, what with moving to a new home, have had a hectic time. But all looks bright now and they dearly love their new place.

It's nice, too, seeing Mary Margaret Bonnington back at the pool. She has been touring Canada with her family this summer and plans to enter Cal this fall. Such a gorgeous gal!

Three of Donna and Bill Winslow's children have been "living it up." Their oldest daughter, Carol, spent several weeks with her grandmother in Oregon—returning just in time to hop on the bus for Girl Scout Camp. Son Will was vacationing in the Trinity Alps with his grandparents and second son, Pete, has enjoyed his two weeks of YMCA day camp.

Baby, Laura, has spent a blissful (I hope!) summer in her crib. The Winslows entertained a large group of friends with an outdoor dinner party a few Saturdays ago. They attended the Diablo Country Club barbecue-swim party recently.

The Don Parle White family was vacationing for three weeks at Aptos where they had rented a home for the summer. They've

Alpha Lambda Starts Season

Alpha Lambda chapter of School in Danville for the older retarded children. Omega Nu held the first meeting of the season at the home of Mrs. William Stevens 3398 Sweet Drive, Lafayette with newly elected President Mrs. Walter Hutchinson presiding.

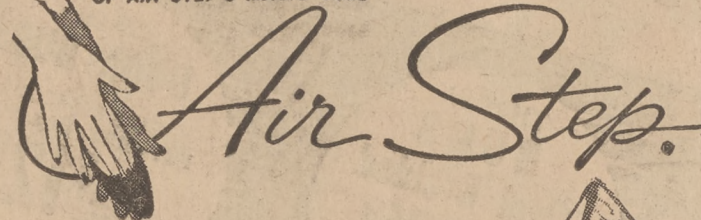

A schedule of the forthcoming events was presented by the president and committee chairman were named for the various projects. This year the Sorority will again have the hamburger concession at the Walnut Creek Walnut Festival. Mrs. Ralph O. Hughes and Mrs. George Irwin were named as Co-chairmen for the affair with Mrs. Robert M. Whalen as Co-ordinator for the arrangements.

It was decided that the proceeds this year from this event would be presented to the Council for the Retarded, East Contra Costa County, Inc. to be used for the Shelter Work Shop of the Lynn Nancy Ure of Pleasant Hill.

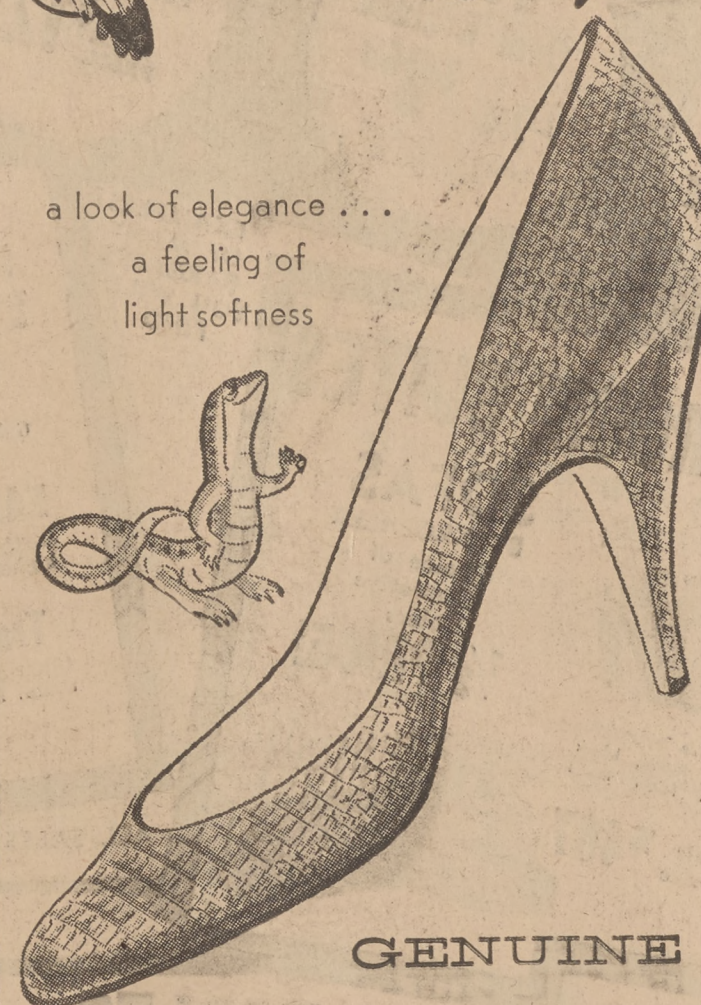

been spending every week-end there for a very good reason—overseeing the building of their stunning new beach house which not only overlooks the ocean but practically stands in it.

Mr. and Mrs. Harold Parker of Moraga spent a most interesting five weeks in the East. The primary purpose of their trip was to attend a Masonic Convention in New York—but aside from that they visited Mr. Parker's numerous relatives in New England and the Island of Nantucket. Mrs. Parker managed to sandwich in visits to three Rehabilitation Centers—one at Massachusetts General Hospital (one of the very finest) and also the Liberty Mutual Rehabilitation Center in Boston.

'Merry Mixers' Formed in Area

Feeling that there are probably a great many single adults in this area who would like to become acquainted with others of similar ages and interests, some local residents have formed "The Merry Mixers."

Using the same idea as the Berkeley club, a singles group founded in Berkeley in 1954, the most important requirement for a prospective member will be that he or she be between the ages of 25 to 45, and single.

The designation "single" includes persons who are divorced, legally separated or widowed.

As a nonprofit organization, run by elected officers, the group plans to have scheduled dances, theater parties, ski trips, picnics, square dancing classes and any special activities requested by the

Bureau Seeking Persons With Time to Spare

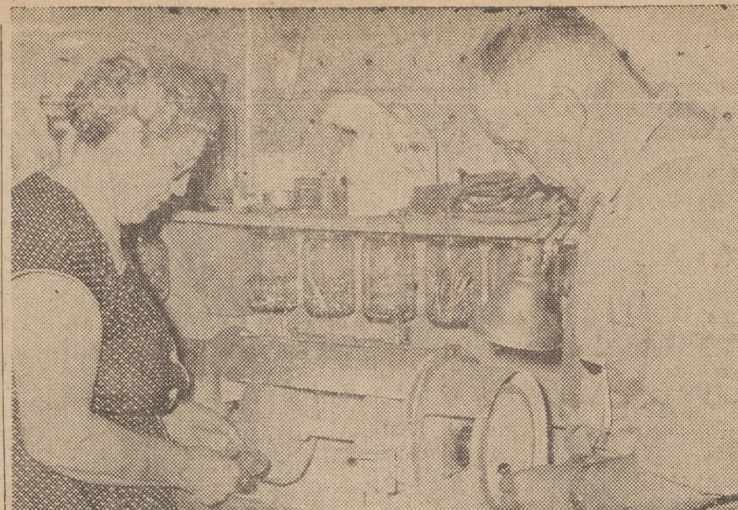

The Volunteer Bureau of Contra Costa County, a United Crusade Agency, has jobs for persons with extra time.

Young people throughout the county will soon be enrolling in many groups provided for leisure time. Volunteer leaders are urgently needed for pre-teens and teen-agers.

Husband and wife teams with knowledge of a special craft, music or dancing are in great demand.

members.

Anyone interested in the club can receive additional information by writing to The Merry Mixers, P. O. Box 154, Lafayette, or phoning YE 4-6635 or VE 7-6857.

MEMBERS OF the Contra Costa Mineral and Gem Society Inc. are Mr. and Mrs. Melvin Makey, shown working at their own bench, grinding and polishing their collector's items.

Opera Guild Sets Luncheon

Members of the East Bay Opera Guild and of the Women's Athletic Club of Oakland will inaugurate the fall social season with the immensely popular annual Fol-de-Rol Luncheon Wednesday at the Athletic Club of Oakland.

The theme of the October Opera Guild Ball, Bal Masque, will be carried over to the luncheon and will be interpreted in the decor, according to Mrs. Marshall Shapiro of Orinda.

Among the guests of honor will be members of the San Francisco Opera Company including Licia Albanese, Dorothy Kirsten and Cesare Cursi.

Our local youth and other groups need help—your help. Volunteer today for community service.

Dance is Diablo Club Program

"Carousel Capers" is the theme of the benefit that Junior Alliance of Children's Foster Care Services will hold on September 28 at Diablo Country Club.

Chairman of the event is Mrs. James Wasson of Alameda. Room decorations are under the direction of Mrs. Eugene Thomas of Piedmont, and table decorations are being made by Mrs. Harold Weatherbe of Walnut Creek and her committee.

Crown pictures designed by Mrs. Ralph With of Orinda will line the walls; balloons will be suspended from the columns; streamers and soap bubbles will fill the air; a carousel to stand in the entrance; center pieces on the tables of elephants, clowns, and circus tents; music by Jimmy Diamond's orchestra.

Crestview Club Opens New Season

The Senior Crestview Women's Club held its first meeting of the fall season Wednesday with a general introduction of new officers.

Heading the group will be President Mrs. William Harris. Other officers are Mesdames Herman Hirm, program chairman; Robert Turner, ways and means; Edward McPherson, recording secretary; Gene Williams, corresponding secretary; George Nelson, treasurer and Otis Byron, auditor.

Plans for the year include a joint meeting of the junior and senior clubs on Tuesday evening and a dance held by the combined clubs October 19.

This will be the Harvest Ball and will be at the Walnut Creek Elks Club. A rummage sale is still in the planning stage.

Hospital Gets Local Students

Entering Samuel Merritt Hospital School of Nursing in Oakland on September 3 with the class of 1960 was Patricia Erwin, 3355 Walnut Avenue; Cherie Mortenson, 2115 Frederick Street, Concord; Sandra Thorpe, 186 Suzanne Place, Pleasant Hill.

PETROLEUM

Ce ton of oil shale may yield up to 65 more gallons of petroleum.

Don-Bulldog Tilt Tonight At Acalanes

The Acalanes Dons open the 1957 grid season under new head coach Jack Carhart when they host the Alhambra Bulldogs to tonight in an 8 o'clock game under the lights of Acalanes Memorial Field.

Carhart goes tonight with a short-on-numbers squad, as he will field but 28 varsity players. Seven seniors and four juniors compose the starting lineup.

At left end it's Duane Stultz (Jr.), while at the right flank it's veteran Steve Jordan (Sr.).

Jim Walker (Jr.) and Bob Dodd (Sr.) show at the left and right tackle spots.

A pair of seniors in Larry Felix on the left side and Art Batchelder on the right side hold down the guard spots, while junior Phil Condit is number 1 man at the pivot position.

In the backfield it's a junior and three seniors.

George McMeans is the lone junior, at the all-important quarterback position, while Lou Marello holds forth at left half and Dave Bojarsky at right half.

Stuart Busby, the team's leading ground-gainer and All-County selection last year, gets the call as fullback, to round out the Dons' top eleven.

Chances are Coach Carhart will use as many players as possible and work different combinations, in order to see as many players in action as he can and still go for the win.

Alhambra, under Coach Jim Conter, is reportedly "loaded" and will throw a multiple offense that will test the Dons' defenses.

Low Gross Won By Mrs. Small In Golf Match

'Alley Katts' Name Officers

The officers for the newly begun Alley Katts Bowling League are to be Anne Stiles, president; Velma Tarver, vice president; Jackie Bonham, secretary; Isabella Wamosh, treasurer; and Roberta Fisher, sergeant-at-arms.

Florence Koling is heading the rules committee and Darlene Deichler and Jean MacDougall the trophy committee.

THE LEAGUE, which meets on Thursday mornings, is a handicapped housewives group, and has 16 teams. They will bowl for 33 weeks.

The League met at the Monument Bowl recently with Ruth Roskelley, captain of the Town & Country Beauty Salon team, bowling a 202 game to receive the first 200 pin of the season.

GLORIA BRAZIL of Montclair Motors made a second highest game with a 191.

Last week Mary Ann Tuohy of Tony's Beauty Salon scored the two highest games in the handicapped league with a 178 and a 171.

NOISES NOT PERMANENT

Even in a car seven or eight years old some astonishing results are achievable with respect to noise elimination. The first step is to have a mechanic for an hour or two and let him try his hand at removing those annoying noises. The owner is bound to be surprised and pleased at the return on so small an investment.

Prep Grid Practice Tilts to Start Tonight

Area Teams Set For First Play Of New Season

The pigskin has been sailing through the air and the thump of pads has been the order of the day as prep grid teams throughout the area have put in strenuous practice sessions, getting ready for the rapidly approaching game openers.

Tonight finds teams of the Diablo Valley Athletic League going on display on a "play for keeps" basis as they show in practice tilts.

The Pittsburg Pirates, defending champions under the guidance of Coach Tony Knap, are universal picks to repeat.

THEY HAVE a line that has depth and experience. To date the lightest front seven are tops due to experience, while not far behind lies a load of heavy reserves.

In the backfield, which has size and speed, standouts to date are Vince Darne, John Noard and Bob Magna. The Pirates lost but three first-stringers via graduation, so it looks like another Pirate year.

Pitt faces a real threat when it plays Monterey at Monterey tonight at 8 o'clock. Then the Pirates come home to play Serra High at Pittsburg next Friday.

PITT'S CHIEF contender for league honors looks to be Las Lomas. Wily mentor George DeKlotz has been runner-up the past two seasons and could well do it again. In fact, the Knights could be the ones to topple the Pirates if DeKlotz can come up with a top quarterback.

A heavy line and a top backfield duo in Pete Ostrom and Duane Brown, plus a host of up-and-coming junior varsity graduates, could well keep the Knights in contention.

The Las Lomas eleven has its opening practice tilt with San Ramon High under the lights of the new Danville field tonight.

PRACTICE GAME number 2 will find Las Lomas playing host to Piedmont next Friday.

Antioch High, under Coach Golden, suffered heavily from graduation and has a rebuilding job. Standout to date is Marshall Kulju at fullback. Kulju is a converted end who has come through in the vital full spot.

A green and light line could give the Panthers trouble. They play Liberty of Brentwood at Brentwood at 8 o'clock tonight in their only practice game before league play. Their other practice game is set with Armijo High of Suisun on November 1.

COACH HAL BRIGGS over Pleasant Hill way is working overtime with a good nucleus of veterans who will open with Livermore at Livermore tonight.

The Rams have been building for this one and could well be tabbed the circuit's dark horse.

In their number 2 practice game they host St. Mary's at Diablo next Friday.

DIABLO, with Coach Hart Fairclough in his second year as head man, has a host of players to draw on, and in the opinion of many the Devils are the circuit's dark horse.

Depth alone makes Diablo a threat. Again, the big problem figures to be in filling the quarterback slot.

Diablo's first practice game will be against Oakland Technical High tonight, at 8 o'clock.

Next Friday at 3:30 p.m. the Devils will meet El Cerrito at El Cerrito.

THE Acalanes DONS open tonight at Acalanes Memorial Field when they play host to the Alhambra Bulldogs from Martinez.

The Dons' new head man Coach Jack Carhart has a double incentive to win, as it's his first varsity game and on top of that he graduated from Alhambra High back in 1948.

The Dons have good potential in a first eleven but lack depth, and the problem of developing adequate reserves is the big question mark.

Next week the Dons play the San Ramon Wolves at Danville. All games tonight will start at 8 o'clock.

MIRAMONTE PLAYS a junior varsity schedule, as the school has no seniors as yet, with juniors as the top class.

Don Phillips has been putting the Matadors through their paces and has a week to go before hitting outside competition. The Matadors open next Friday against Cubberly High of Palo Alto. The game is set for 3:30 p.m. at the Palo Alto field.

The Matadors have been hit by injuries plus the fact that several expected returnees gave up the game.

A good nucleus plus some newcomers, however, will probably keep the Orinda eleven up in contention for top J.V. honors.

Speedway Gets Luallen Team

A new team will be among the field tomorrow night when the Bay Cities Racing Association resumes hardtop action at Contra Costa Speedway.

Campaigning as the Luallen Racing Team, the two pilots are Chet Sprock of Concord and Gary Street of Walnut Creek.

Time trials will open the program at 7:30 p.m., followed by the first heat an hour later.

DRUG ADDICTION

The State Department of Motor Vehicles last year revoked the driver licenses of 814 persons for drug addiction.

GOING THROUGH THE paces of hill climbing is Aubrey (Booge) Isham, veteran driver and national hill climbing champion. The Rough Riders Motorcycle Club will roll Sunday at the Donahue Ranch on Stone Valley Road.

Rough Riders Plan Thrills For Sunday's Hill Climb

The members of the Rough Riders Motorcycle Club are out beating the drums for their second annual professional hill climb which will take place Sunday in the Donahue Ranch on Stone Valley Road.

Of the 20 riders rated by the American Motorcycle Association as tops in the nation, 13 are local. Of these, 12 will compete in Sunday's climb.

MOST NOTED is Sam Arena. Sam, national title holder for four consecutive years, has enjoyed considerable success in motorcycle competition throughout Australia as well as the United States.

Also among the entrants are three other riders who have all held the title of National Champion at one time or other. They are: "Booge" Isham, Harold Mathews and Stan Schmidt.

Carl Habel, last year's top novice, is competing with the experts this year. Although the competition in this advanced

group is a great deal tougher than that which Carl is accustomed to, he can by no means be ruled out as a possible winner. Veteran A.M.A. announcer Al Fergoda will be at the public address system to keep everyone up to the minute on what is going on, and to explain technicalities.

THE ROUGH RIDERS will post arrows along the Walnut Creek-Dublin highway to guide spectators to the site. Paved roads lead right to the hill.

There are acres of level ground at the base of the hill proper, and spectators will be able to see all the activities without leaving their cars. The latter is something unique in this sport.

The program, which will start at 1:30 sharp, consists of four events: an 80 and a 45 cubic inch novice, and an 80 and 45 cubic inch expert.

Admission is \$1 for adults and children under 12 are admitted free of charge.

Matadors Will Open Next Week

The Miramonte Matadors have another week of practice before they hit their first game of the season when they travel to Palo Alto to meet Cubberly High next Friday in a 3:30 p.m. game.

Coach Don Phillips and assistant mentor Bob Brooks have their problems, as out of 65 who signed in the spring, less than 40 showed. In fact, the count last Tuesday was an even 32.

Many players were lost for one reason or another, and the coaches have a really big building job to do.

THE MATADORS will be playing in the junior varsity league, as they have no seniors in school, and they promise to more than hold their own.

The lineups have changed from day to day, and several shifts in personnel have been made to get a smooth working unit.

There could well be more changes before game time next week, but at this writing Dick Hanlin (145) and Mark Littlejohn (155) are at the ends, with Tim Crawford (160) and Bill Klement (180) holding forth as tackles. The guards are Mike Albo (170) and Mike Wilmar (155), with Floyd Blake (175) at center.

AT QUARTERBACK it's Milt Blaney (135), with Bruce Hilger (150) at left half and Bruce Hancock (160) at right half.

Rounding out the club at fullback is Bickey Clifford (148).

McKiraan Still at It

Lafayette commuter John E. McKiraan recently spent a month supervising field work for his company, in Arizona, 30 miles from Hoover Dam.

He found a place to live in Boulder City, Nevada, seven miles west of Hoover Dam. Thus he was able to keep up the commuting habit earlier acquired by driving his car each day almost 40 miles across the Nevada-Arizona state line, across the Hoover Dam, and across the boundary line between Pacific and Mountain time zones.

On his return he found it no effort at all to fall back into the commute schedule to San Francisco.

In fact he said that the temporary heat wave in Lafayette made the weather in the Arizona desert seem cool in comparison.

"And best of all, it was a relief to let a competent Greyhound bus driver take over the daily chore of getting me back and forth," he told The Sun.

CARBON CURE

Modern high compression automobile engines have a tendency to build up carbon deposits in the combustion chamber, particularly if the car is driven mostly in city traffic. These deposits can be easily removed by air-blast cleaning treatment. This process, which is now available at many garages, is not costly and should be done regularly to cars that are used largely for stop-and-go driving.

VACATION

Ross and Casey Jones are minus their two sisters, Sandra and Susan. The girls are taking their first vacations without their parents and Bill and Arleen Jones are really missing them. Sandra stopped in Phoenix to do some waterskiing before traveling on to Shreveport, Louisiana, to the home of her aunt. Susan is visiting with her grandparents in Minnesota for the summer.

Vikings Play Panthers In Opener, Tomorrow

East Contra Costa Junior College Vikings open their 1957 season tomorrow against the Contra Costa Panthers, due to a cancellation by the Napa College eleven. Game time is 8 p.m. on the Mt. Diablo High School green.

The Vikings gridmaster, Jack Danilovich, said this week that he is well pleased with the progress of his men during their scrimmages held in the past two weeks. Danilovich is being assisted again this year by Hugh (Bos) Boschetti, ECC's athletic director.

Eight returning lettermen and five All County stars are competing for top spots on the Viking squad.

LETTERMEN INCLUDE line men Cliff Hayden (Mt. Diablo), Laird Eichmeyer (Acalanes), Duval Lucio (Antioch); George Airoldi (John Swett).

Lettermen in the backfield are Jim McMillin (Pleasant Hill); John Tackitt (Pittsburg); Dale Sandy (San Ramon) and Roy Johnson (Mt. Diablo).

All County stars on the Viking squad are quarterback Charlie Verdugo (Pittsburg); halfback Eddie Riggins (Antioch); guard, Ernest "Skip" Andregren (Las Lomas); and ends Jesse Lea (Pittsburg and Ted Plumb (Mt. Diablo).

According to Danilovich the Green and White line is shaping up with guards Bill Gainer (Mt. Diablo); Jerry Henderson (Acalanes); and John Turner (Pleasant Hill) showing much improvement.

Richards, Ferrarese Again in Limelight

By ERWIN MATTSON

AT A MEETING last week I heard world-famous pole-vaulter

Bob Richards give an inspiring talk on youth and athletics. He captivated his audience, and soon television viewers will see him in action on their screens, as he will emcee a half-hour weekly program dealing with prominent sports figures, and he'll also play host to local standouts.

It's to be hoped that he will be available as a speaker for local high schools and service clubs, as he has something to say and a fine way of putting his ideas across.

DON FERRARESE, ex-Acalanes Don, has been recalled by the Baltimore Orioles.

Don came to Vancouver after opening with Baltimore, won three in a row, dropped them, then came back to win nine straight! Still looks as if all Don needs is regular work. Here's hoping he gets it in the big show!

Just a thought—but it would be nice to see Don bought by the San Francisco Giants come next spring.

OUT Acalanes WAY one of the new coaches is Ralph Williams, acting as assistant to head football coach Jack Carhart.

Ralph, in addition to coaching, teaches Spanish, but even more interesting is the fact that he was a star tackle while a student at Acalanes not so many years ago.

He was known as "Buzz" in his prep days.

FROSH FOOTBALLERS are on a limited schedule of four games in the Aalanes High School District, but enthusiasm is as high as if they were headed for the Rose Bowl.

Look for a schedule and a list of coaches and players in the near future.

The season opens when Las Lomas plays at Miramonte October 3.

FOOTBALL ISN'T the only sport in action. Cross-country has a full schedule, and so has C and D basketball.

The cross-country lads run a 1.9-mile course. The main concern is conditioning and the teaching of pace.

It's the developing grounds for distance runners and pays dividends in the spring, when track comes into its own.

CHP Tightens Truck Traffic

Special enforcement action against commercial vehicle drivers who violate traffic laws was promised by Captain Russell Magill of the California Highway Patrol.

"Among the laws violated by drivers of commercial vehicles is section 530.5 of the California Vehicle Code," Captain Magill stated.

"This law permits operators of vehicles on grades at speeds below 20 miles per hour to overtake and pass other vehicles only if their speed is at least ten miles an hour faster than the vehicle being overtaken."

"In no event shall the passing movement be attempted if it cannot be completed within one-quarter mile," the Captain said. "Adherence to this and other rules is essential to the orderly movement of traffic on our congested highways."

"Strict adherence to this rule will reduce the frustration of passenger car drivers who are delayed behind slow moving vehicles involved in passing movements," he concluded. "Drivers who fail to conform to the regulations can expect enforcement action by our men."

HOT CAPS

Radiator caps on most automobiles should be removed with caution, advises the California State Automobile Association.

Many automobiles have cooling systems which are commonly referred to as "pressure type." If the radiator cap is removed when the engine is warm, steam escapes.

Have your radiator checked by a service station attendant and avoid the chance of being injured.

CITY DRIVING

Although automobile engines are designed to operate efficiently at all speeds, continuous driving at slow speeds should be supplemented occasionally by a stretch of faster driving in the country. The engine's crankcase ventilating system is actuated by the air stream that passes under and around the engine and better ventilation is accomplished at higher speeds.

The Viks are well anchored at the tackle position by Frank Malynn (Acalanes); Don Bo (Antioch); Leo Treat (Antioch); and Allen Schoening (Hawaii).

ENDS MIKE Hart (Alhambra); Joe Emerick (Las Lomas); L. V. Nord (Pittsburg) and Tom Harlan (Antioch) have shown plenty of fire and spirit as well as have Jack Ogden (Acalanes) and Jack Rose (Kalamazoo, Michigan).

Dan Owens (Mt. Diablo) leads the centers followed by fast Herb Foster (Las Lomas) and Jerry Wilkins (Torrence, Calif.).

In the backfield QBs Arnold Vallejo (John Swett) and Jerry West (Mt. Diablo) have shown steady improvement, while HBs John Reed and Mike Blodgett (San Ramon); Paul Johnson and George Darrow (Mt. Diablo); Bob Edwards (Antioch) and Rich Neimanick (John Swett) all looked good.

Tomorrow's probable starting lineup is as follows: centers: Dan Owen and Herb Foster; right guard: Bill Gainer and Skip Andregren; left guard: George Airoldi and Jerry Henderson; right tackle: Duval Lucio and Frank Malynn; left tackle: Laird Eichmeyer and Don Bo; right end: Ted Plumb and Jesse Lea; left end: Cliff Hayden and Mike Hart.

Quarterback: Charles Verdugo and Roy Johnson; left half: John Reid and Paul Johnson; right half: Jim McMillin and Mike Blodgett; fullback: John Tackitt and Dale Sandy.

The Las Lomas Knights take to the road for their season's opener when they travel to Danville to tackle the San Ramon High eleven tonight.

A good crowd is expected to be on hand to see just what both clubs have.

San Ramon has a new coach and a new system, while the Knight fans will be looking over Coach George DeKlotz's new eleven.

THE KNIGHTS have wound up in the second spot two years in a row, behind the league-leading Pittsburg Pirates.

The Knights were hit heavy by graduation and have considerable rebuilding to do, particularly at the quarterback spot, with the loss of Jim Symington, who rated as one of the county's best.

Gone are such stalwarts in the line as Webb Johnson, Skit Andregren, LaPerle and Musch, to mention a few.

The Knights did have a good J.V. squad and sent up a number of good prospects. The shoes they have to fill are "big ones," and only time and scores will tell the tale.

THE TENTATIVE lineup for tonight's opener finds a hefty forward wall and a well-balanced backfield.

The lineup as released shows Dick Dodge (165) L.E.; Bob Blower (190) L.T.; Jerry LaPerle (190) L.G.; Bob Staley (185) C.; Rick Kraemer (185) R.G.; Dave Weil (220) R.T.; Randy Olson (155) R.E.; Steve Moore (155) Q.B.; Pete Ostrom (160) L.H.; Duane Brown (170) F.; Phil Wirthman (170) R.H.

Ostrom, as an interesting sidelight, was the circuit's top scorer last season. He and veteran Brown give the Knights a good 1-2 scoring punch.

Winter Keglers Kick-Off Season

Monument Bowl had a good turnout, including three sponsors, to watch the Tuesday Night Women's Handicap League get off to a nice start for the winter bowling season.

Kay Harr of Danville is sponsoring the Kay's Coffee Shop girls and also bowling on the team. They won three points over Martin Brothers.

Dave Valladao was also present, and his wife, Helen, is a member of his Union Ice Delivery team.

His girls lost all four points to unsponsored Team number 7, but they were attention-getters in their attractive new shirts which were white with red and blue lettering. Bill and Marie Grant were thrilled with their Yellow Cab girls' four point victory over Woodside Builders.

Monument Catering defeated Farr's TV three to one. Elsie Bavier of Woodside Builders rolled a 470 for high series with games of 166, 143, and 161. Ginny Bates of Team 7 turned in a 174 which was high game of the evening.

EBMUD Report: More Water, Reduced Debt

"Increased water usage, reduction of debt and good business practices by the East Bay Municipal Utility District assure financial stability and continued low rates for the future," Louis J. Breuner, president of the EBMUD Board of Directors, declared yesterday.

Breuner's statement was given as he reviewed the just-released EBMUD financial report for the fiscal year 1956-1957, which shows a substantial increase in the net value of the utility district water system and sewage disposal system.

"The combined net value of our two systems today," Breuner noted, "stands at more than \$64 million, a gain of \$8 million over last year. To Mr. Average East Bay Resident, this means our financial stability is such that we can operate without increase in the tax or service rates which directly affect his pocketbook."

The published statement for the fiscal year ending June 30, 1957, Breuner continued, shows the net value of the EBMUD water service plant and properties to be \$142,575,615. The EBMUD sewage disposal system net value is shown as \$22,068,029. This is a combined net increase of \$8,295,381 from the previous year.

The bonded debt of the water system, which has been reduced regularly over the years from the original \$77 million, now total \$36,715,000 according to the report, which was prepared by Lybrand, Ross Brothers and Montgomery, Certified Public Accountants.

The bonded debt balance of the sewage disposal system is now \$19,055,000, of the \$23,500,000 voted in 1946 to construct the modern treatment and disposal plant and interceptor lines. The sewer system serves the cities of Alameda, Albany, Berkeley, Emeryville, Oakland and Piedmont.

Revenue from water sale amounted to \$13,080,889 during the fiscal year, an increase of \$33,587 over the previous year. Tax receipts totalled \$2,895,013, an increase from the previous year of \$123,935. Sale of electric power generated at the district's Piedmont Dam Power house on the Mokelumne River provided \$480,325.

12-VOLT BATTERY

Most cars built today are equipped with 12-volt batteries and they require more attention in keeping them clean than the 6-volt type used formerly. The reason is that a 12-volt battery has less space above the plates than the same size 6-volt battery and is more easily overfilled. When the generator is charging, the electrolyte expands, and if the battery has been slightly overfilled the solution flows out of the cells onto the top of the battery and causes corrosion. Check the condition of your car's battery regularly, do not overfill, and have it cleaned promptly if there is corrosion.
